CONCLUSION 182

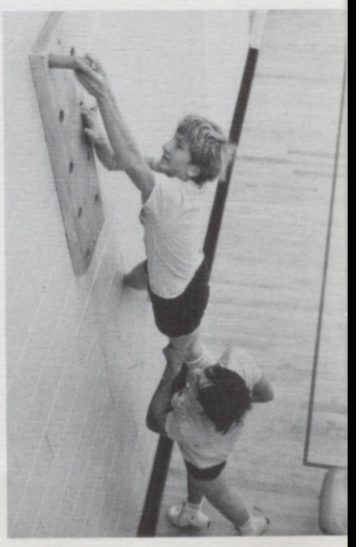

On that very first day of school, we may not admit it but within each of us is that moment of silence and anticipation of just what the new year will bring—For most there will be that mixture of joy and disappointments that keep us looking to the edge of tomorrow.

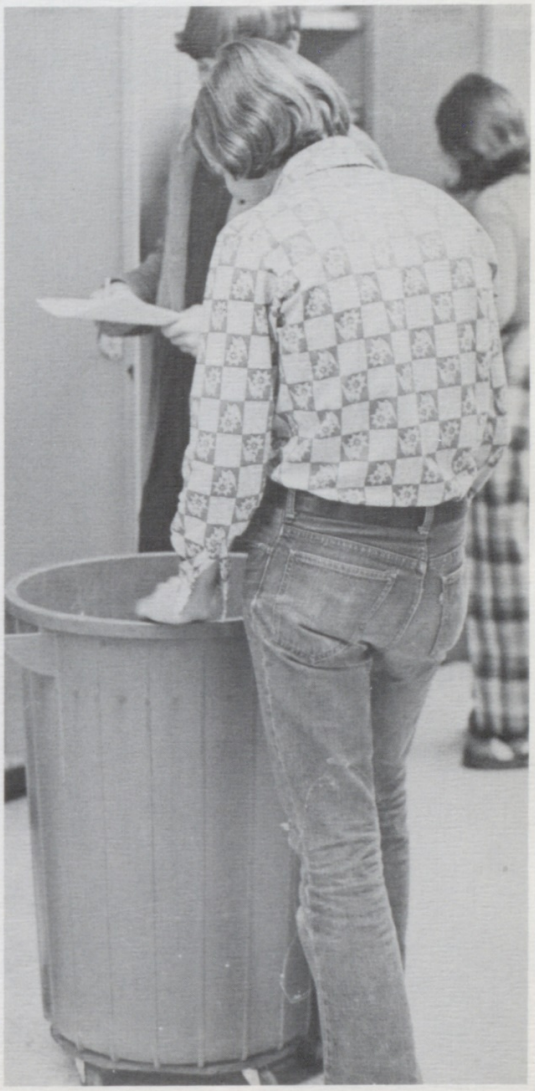

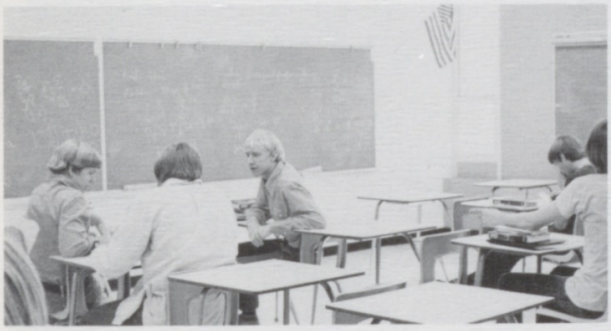

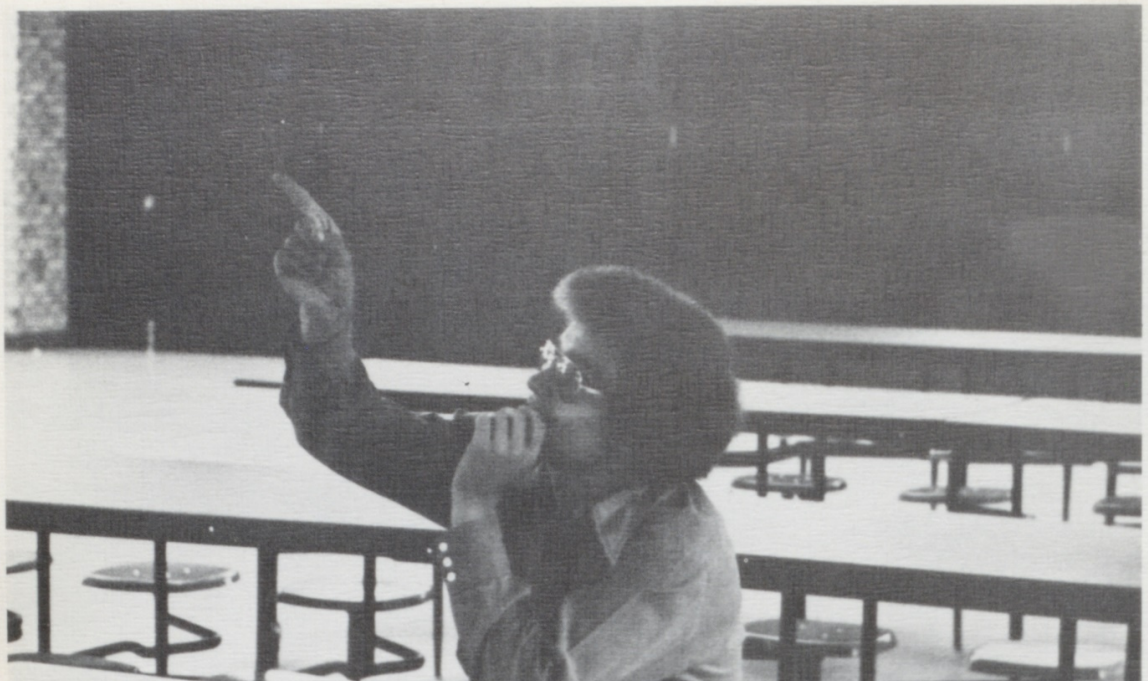

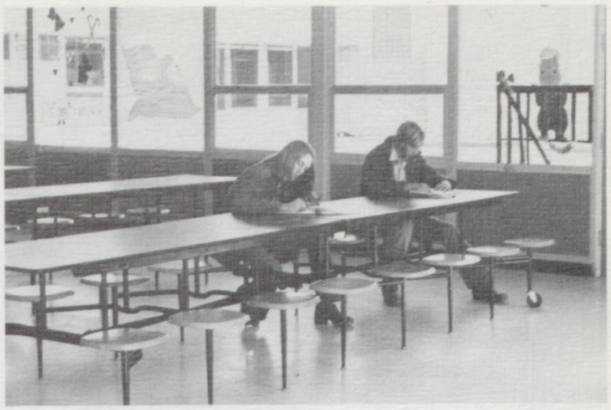

Some of the many activities B.H.S. experienced this 1973-1974 year were decorating for the Homecoming floats and squaredancing in P.E.

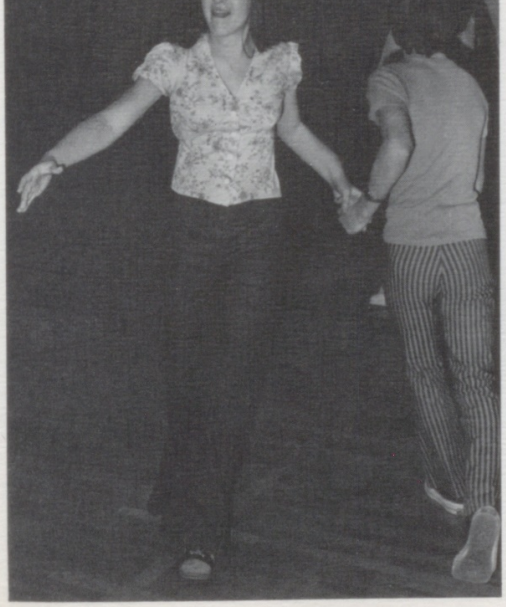

Even though the schoolwork throughout the year proved to be very trying, there was some time for rest and relaxation.

Homecoming started the B.H.S.'s yearly activities. The climax for the whole event was on October 13, when the floats were judged at the annual parade.

Many parents and fans this year came to support the Diggers at all the sports events.

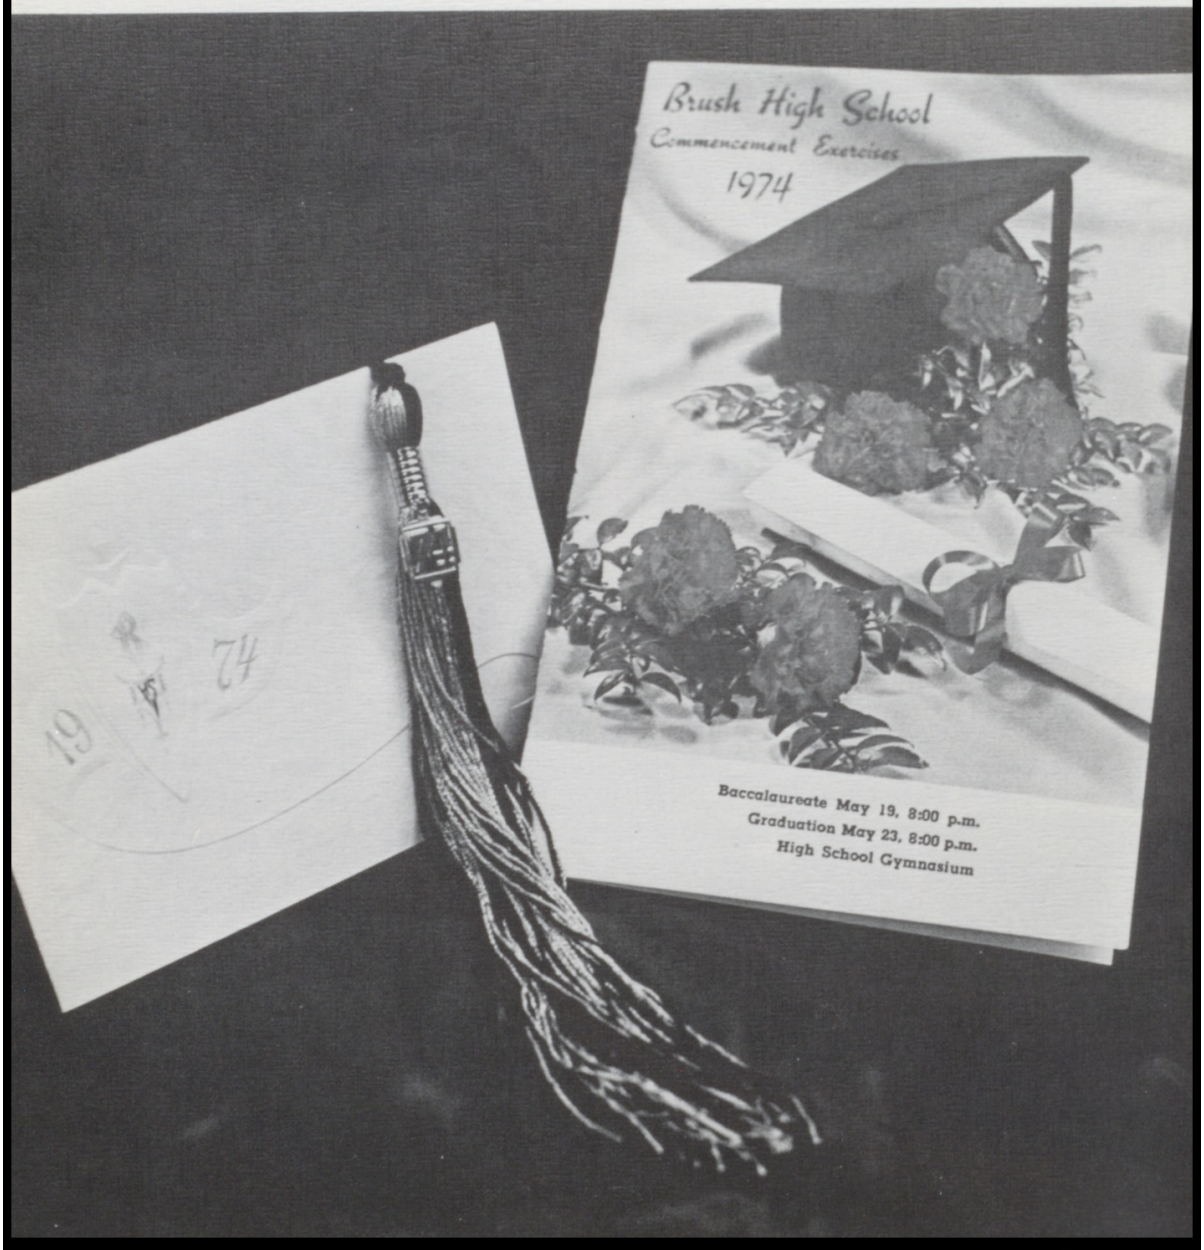

Life at Brush High School wasn't "all work and no play." In fact, the students found a number of ways to escape the drudgery of books and studying—which greatly aided in breaking the monotony of everyday school life.

This is the record of the happenings of 1973-'74 year. Activities, sports, clubs, and the most necessary ingredient of all, the people, all melt together in a potpouri of life as we lived it.

Each person will have had his own sense of what made the highlights of the year—in truth, it was many things. It could have been a thought provoking discussion in a classroom, the togetherness we felt as we applauded our victories, or it may have been the closeness we developed with those around us.

Each of us lived and observed a different drama according to our own experience . . . and we will treasure these moments that were ours.

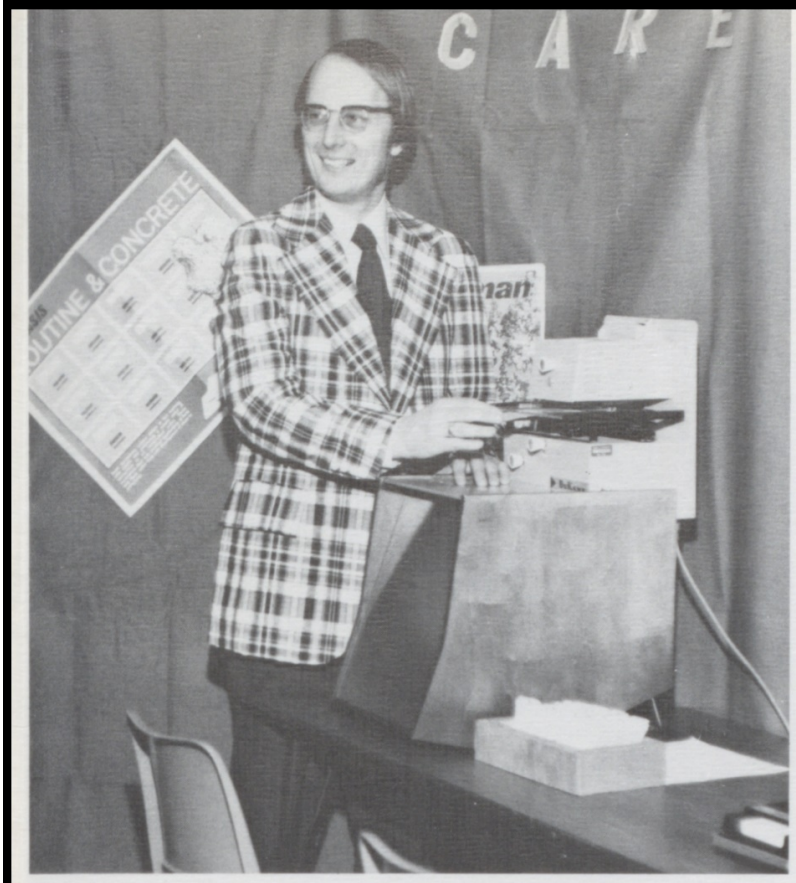

BOARD GETS OK FOR NEW JR.-HI

Presiding over the school office for their fourth and seventh terms were Robert Kilzer and Robert Scoville, respectively. Serving as school board members during the 73-74 school year were: Placido Romero, Don Mitchell, Allyn Wind, President Glen Swinson, Don King, Mort Boxer and Harold Spade. Highlighting the school board's achievements throughout the year was the passing of a bond issue for a new Jr.-High.

For many years the principal has been thought of as an authoritarian figure and rules maker.

If students have this perception, it is difficult to have meaningful communications.

I feel the authoritarian image can be broadened and modified if students and administration get to know each other on a more personal basis. As principal of Brush High School, I do want to become better acquainted with the students.

Ronald Proecker

As assistant principal, I have a very difficult job in trying to act as judge and jury in respect to solving many student-teacher-parent conflicts. It is my sincere desire to always be fair in my dealings.

I hope the students will benefit from the many decisions I have to make and will feel free to come in and talk any-

113 "ON THE ROAD TO FREEDOM"

Leading the Class of '74 for their final year at BHS were Ron Freund serving as president, Dennis Miller as vice-president, and Susan Small as secretary-treasurer. Mrs. Phyllis Woodward and Mr. Tom Woolley sponsored the seniors.

In the Homecoming Float competition, Seniors tied with the Class of '75 for first place. Other activities done throughout the year included the selection of class announcements, flowers, colors, and theme for graduation.

Seniors were honored by the juniors at the Junior-Senior Prom, "Pieces of April". In May, the girls were hosted by the Brush Women's Club at the Senior Girls' Breakfast. Baccalaureate was held on May 19 and 113 seniors graduated on May 23.

August, 1973, 143 members of the class of '77 met under the supervision of their sponsors, Mr. Joe Edson and Mr. Richard Rivard. Debbie Eskew and Roger August were elected to lead the class through their freshman year as president, and vice-president, with Jeff Mees acting as secretary-treasurer.

The class went through the traditional orientation for the first week of school, during which they were familiarized with the rules, regulations, and clubs of BHS.

In the Homecoming float competition, the class finished with third place; their float symbolizing "Tony the Tiger!" Money raising projects for the year included a concession stand and cake raffle.

As is usual with freshmen, the newcomers fear they will never survive their first year of high school. But luckily, this year's youngsters lasted out the year without too much ribbing from the upperclassmen.

As the 1973-74 school year comes to an end, one can see how the frosh have expanded during the year. No longer do they seek directions to the restrooms, ask if one needs a pass to get a drink of water, or walk into a classroom to find it packed with seniors. They are still known as "those poor little freshmen", but will renounce their title to the upcoming freshmen in August of 1974.

ORGANIZATIONS

COUNCIL INITIATES CHANGES

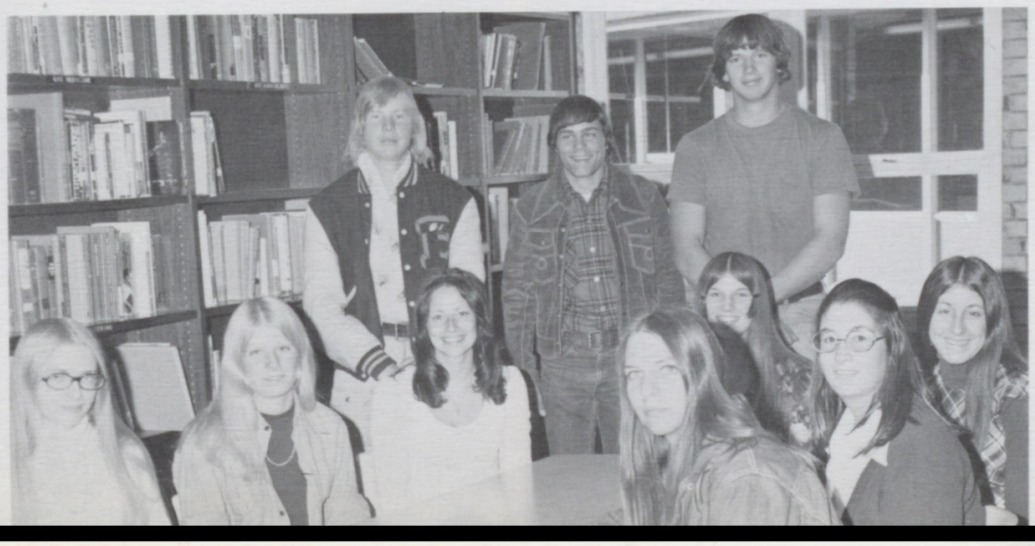

Officers for Student Council during 1973-1974 were Paul Beckley, pres.; Roger Olsen, vice pres.; Frankie Anderson, sec.; and Del Hutcheson, treas.

Among changes initiated by the Council was the revision of the selection of the Student of the Month to insure that those selected were worthy. Under the method, a committee of teachers were involved in the selection.

Other activities included the league student exchange program in which Brush and Julesburg exchanged four students. Homecoming activities were also sponsored by the Council.

PEP CLUB SPONSORS SWEETHEART

Pep Club, sponsored by Mrs. Queen and Miss Paula Young, led two major activities for the 1973-74 year; Sweetheart Dance and the spring banquet. "A Time For Us" was the theme for Sweetheart and the music was provided by "Crystal Rock", a group from Colorado Springs.

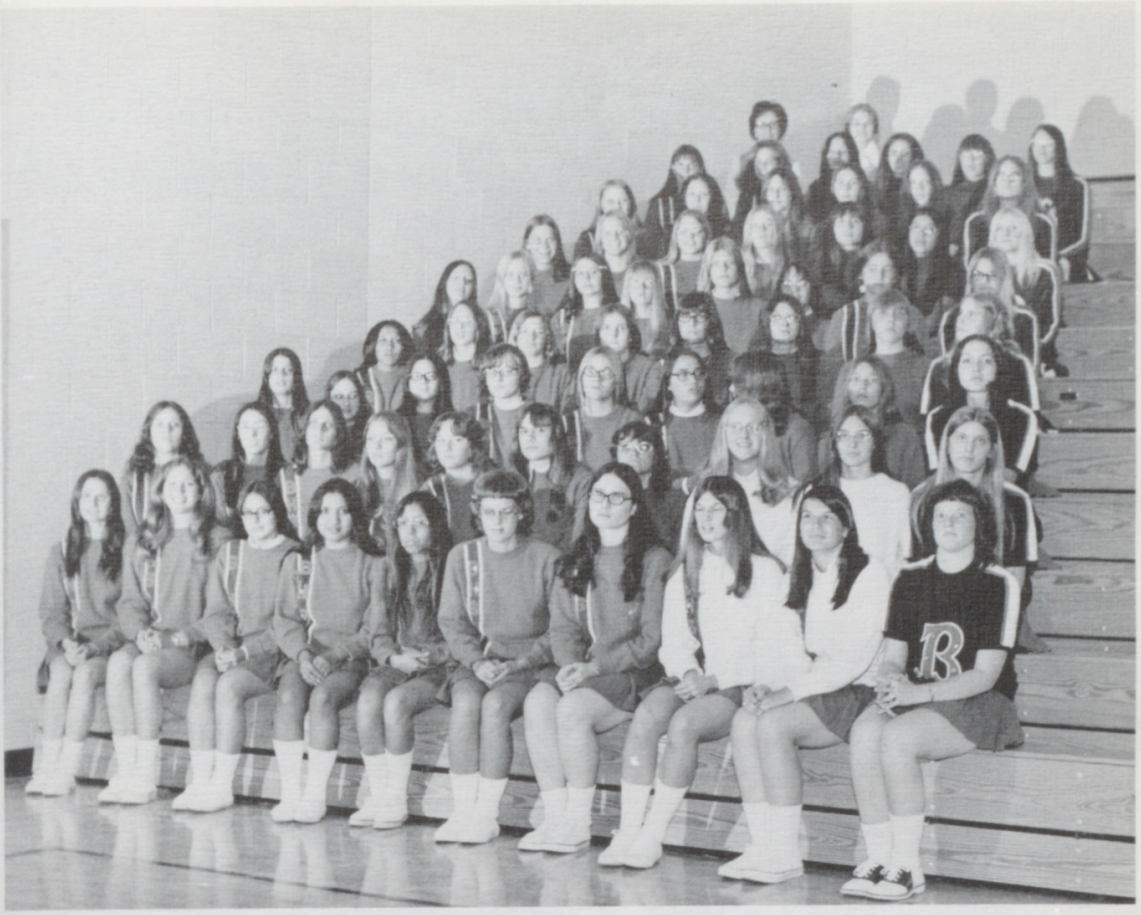

The A-squad cheerleaders for 1973-74 were Deb Gnagy (head), Nancy Swinson, Cheryl Wood, and Lynn Price. B-squad cheerleaders were Laurie Biggin (head), Patty Pabst, Becky Schilling, and Janet Norwood. Patty Pabst took over as head B-squad in January. Officers included Kathy Elling as president, Joan Murphy as vice-president, Sue Poulignot as secretary, and Jeri Lessman as treasurer.

B-CLUB ATTENDS HOCKEY GAME

Highlighting the year's activities for the B-Club was a trip to Denver in March to see the Denver Spurs win their hockey game against the Seattle Totems. Once again, Coach Don Thomas sponsored B-Club, with George Isaac serving as president. Dennis Miller assisted as vice-president, finances were handled by Dave Samples and Randy Brown held the office of secretary.

A change took place within the club when, for the first time, girls were allowed to join. Business went on as usual, however, with members selling ads for the athletic event programs, tickets for cake raffles, and concessions at games. The B-Club finished its year by presenting $400.00 worth of athletic awards and letters to BHS athletes.

OLSEN LEADS F.C.A.

Under the sponsorship of Coach Needens, the Fellowship of Christian Athletes completed its fifth year at BHS. F.C.A. continued its format from the previous year by holding the meetings in the home of a member with "the signal" used as the program.

its format from the previous year by holding the meetings in the home of a member with "the signal" used as the program.

Officers for the 1973-'74 year were Huddle Captain (President), Roger Olsen; Vice President, Ron Freund; Secretary, George Isaac; and Treasurer, Randy Brown.

Highlighting the Christian Athlete's activities was the third annual Powder Puff football game.

F.T.A. BECOMES S.E.E.C.

With the 1973-74 school year getting underway, F.T.A. officially became S.E.E.C. (Students Exploring Educational Careers). Del Hutcheson took over the position of pres., while Wendy Boxer served as State Sec. and vice-pres., Gayle Lindell and Kathy Elling served as sec., and treas., respectively, with Lisa Woolley fulfilling the office of parliamentarian and historian.

Money making projects for the year included concessions and cake raffles. Again the future teachers challenged the women faculty and faculty wives to a basketball game, with the proceeds sending the chapter to the State Convention in Denver and also for the B.E.A./S.E.E.C. scholarship.

Closing the busy year was a picnic and election of new officers.

FBLA ENTERS CANDY BUSINESS

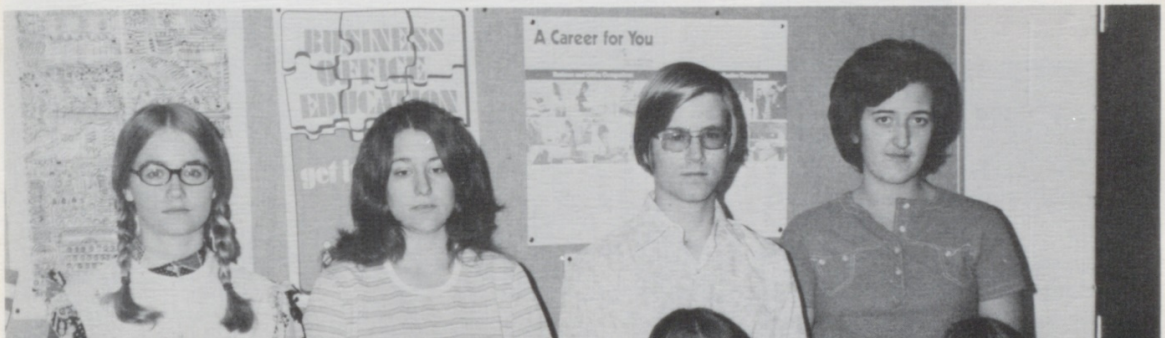

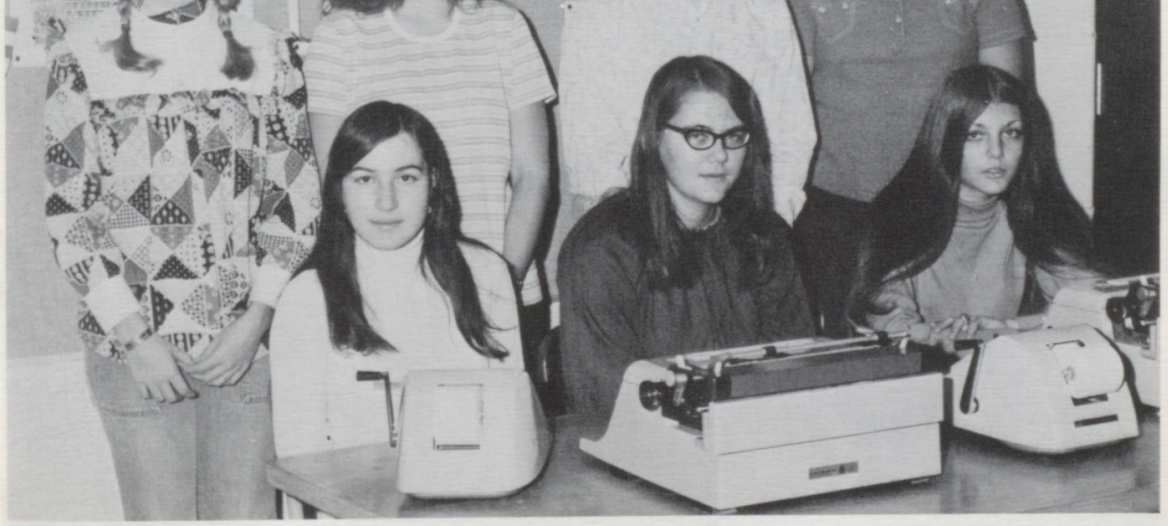

With Mr. Kuhl and Mr. Mitchell as sponsors, FBLA completed its second year at BHS. Further leadership was provided by Brenda Eskew, President; Pat Mitchell, Vice-President; Amy Wahlert, Secretary; and David Brungardt, Treasurer. There were other offices filled by more club members.

The group heard a civil case in District Court, participated in the Northeastern FBLA District Contest in Sterling, and helped sponsor a March-of-Dimes walk. FBLA also handled the candy sales concessions for the other clubs around school.

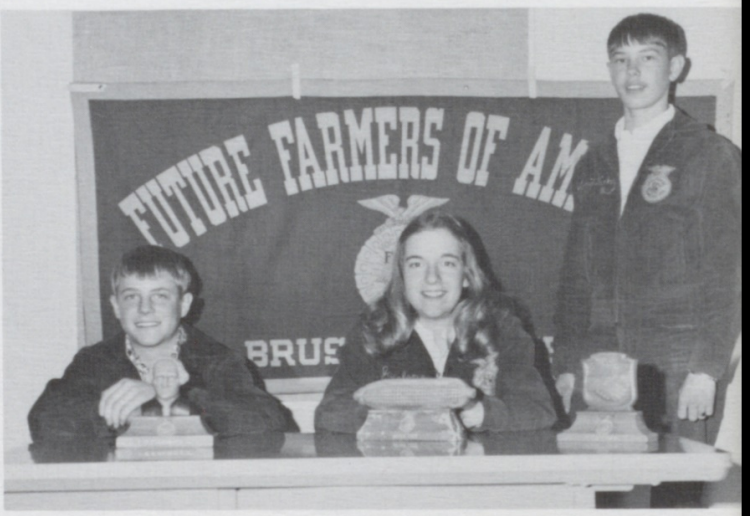

FFA ATTENDS NATIONAL STOCK SHOW

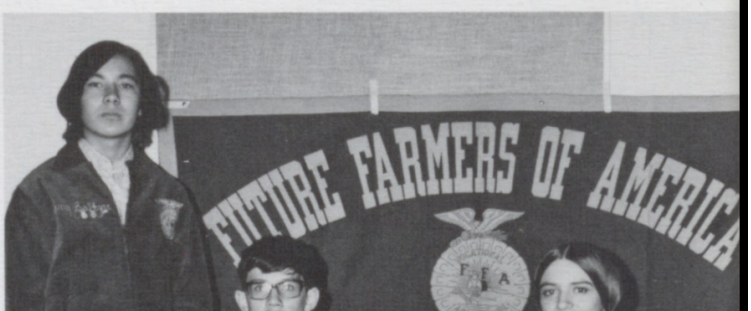

During the 1973-74 year, FFA went to the National Western Stock Show in Denver. Terry Florian and Mike Delong were selected to go to the National Convention in Kansas City, Missouri.

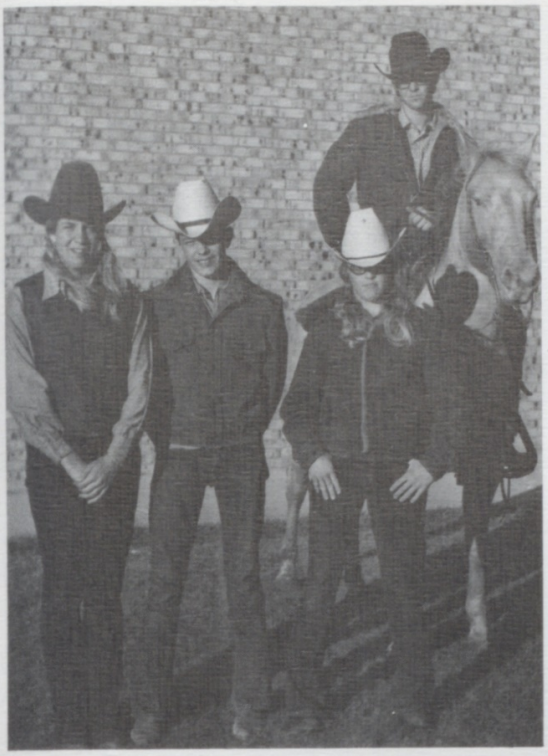

Besides attending out of town events, FFA held a family banquet and a rollerskating party.

Officers for the chapter were: Carla Peters, president; Leslie Windsheimer, vice-president; Jaylene Ruggles, secretary; Dale Kalous, treasurer; Cindy Graham and Mike Pangle, reporters; and Anthony Baltazar, photographer.

RODEO CLUB IS ACTIVE

Officers for the Brush High Rodeo Club were pres., Spencer Bodaness; vice pres., David Dickey; sec., Jane Wallace and Jaylene Ruggles as the treas. Mr. Al Worthley served as the sponsor for the club.

Events which highlighted the year were going to the State Fair in August, the Stock Show, trail rides, a rodeo in the spring with Akron, and a donkey basketball game which was their only money making project for the year.

SKI TRIP HIGHLIGHTS YEAR

G.A.A., under the direction of Miss Margaret Mora and headed by Cindy Hunt as president, highlighted the 1973-74 school year once more with a mountain ski trip to Hidden Valley in Estes Park. Other highlights, that provided both money-making projects and fun, included a "Welcome Party" for new members, a cake raffle, a Halloween Party and a sockhop. Also, the girls made a quilt in their spare time and raffled it off during the halftime of the Homecoming game, October 13. It was won by Mrs. Dorothy Doughty of Brush.

Dawna Hernandez assisted in the activities as vice president, with Ruth Wallace, secretary; and Karen Strauch, treasurer. Other club members fulfilled various other offices.

THESPIANS PRESENT TWO COMEDIES

BHS Thespians presented four performances to the public throughout the year. Both the Jr. Class Play and the All School Play were comedies; the Jr. Class Play was a melodrama entitled, "Adrift in New York," and the All School Play was a situation comedy entitled, "Charley's Aunt." Thespians wrote and gave the Homecoming skit and then gave an evening Christmas program with the choirs.

Susan Small served as pres. for Troupe 968 while Kathy Elling was vice-pres., Del Hutcheson, sec.-treas., and Amy Wahlert, historian. Mrs. Eleise Bloom was the sponsor and Miss L. Young, Honorary Thespian, assisted Mrs. Bloom in play productions.

historian. Mrs. Eleise Bloom was the sponsor and Miss L. Young, Honorary Thespian, assisted Mrs. Bloom in play productions.

May 9th, a banquet was held at the Methodist Church. Thirteen new Thespians were initiated and seniors were honored and given certificates. Kerry Hannam, exchange student from New Zealand, was honored by being named Honorary Thespian. Chris Ruebel was elected to serve as president for next year at the banquet, while other officers elected were Amy Wahlert, vice-pres., Karen Cox, sec.-treas.; and Patty Pabst, historian.

GOD SQUAD SHOWS FILM AT SPRING RALLY

During the 1973-74 school year, God Squad, sponsored by Mrs. Phyllis Woodward, was headed by Eric Olsen as president, while Jenneane Hansen assisted as vice president, Donna Hile as secretary, Arnie Andersen as treasurer, and Joe Pyles as chaplain.

On November 20, the group held a "Fall Banquet" with Mark Meyer as a guest speaker. After dinner, everyone joined in for group singing and games.

Another highlight for the year was a "Spring Rally" held on April 27, with dinner for club members and their guests. Entertainment by the Behrmen sisters of Burlington and a movie, "A Thief in the Night" followed.

As money-making projects, the club ran a concession stand and had a cake raffle at an early basketball game.

KROHN, HALLAHAN HONORED FOR TROUBLES

VICA, a club designed for vocational and industrial students, was advised by Mr. Ken McReynolds. The club numbered twelve, and was led by Pete Krohn as President. Pete was assisted by Kent Wolf as Vice-President; Ken Strauch, Secretary; Gaylen Bostron, Treasurer; Randy Jones, Parliamentarian; and Joe Herrera, Reporter.

Activities for the year included a concession stand, attending the regional meet, and also attending the State VICA

Activities for the year included a concession stand, attending the regional meet, and also attending the State VICA Contest in April. The eventful year was brought to a close on May 16, when Pete Krohn and Dennis Hallahan walked away from the State Trouble-shooter Contest with the second place trophy.

For the 1973-74 year, Airplane Club, sponsored by Mr. Mercer, had about 15 members—a slight decrease from last year. The officers for the year were Marla Boxer, president; Whit Gill, vice-president; and Jeff Winkler, secretary-treasurer.

Although the club was smaller, Mr. Mercer felt that it was more successful because the ones in the club had a true interest in model airplanes.

Basically, the purpose of the club was to stimulate an interest in aviation. Members during the past worked only with airplanes. Besides building, flying and discussing airplanes, the organization opened a space for rocketry.

AIRPLANE CLUB EXTENDS HORIZONS

MATH SCIENCE COMPLETES FIRST YEAR

Math and Science Club started as a new organization at BHS during the second quarter of the school year. Sponsored by Mr. Roskop and Mr. Gabriel, the officers for the year were: Ron Freund, president; Susan Small, vice-president; and Eric Olsen, secretary-treasurer.

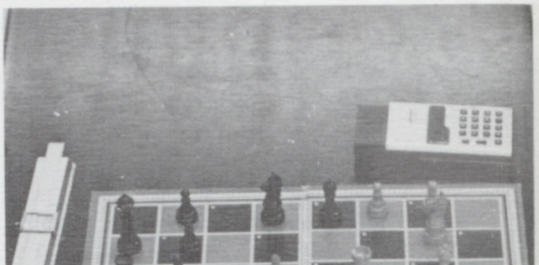

Four of the members, Roger Olsen, Jack Heidrick, Ron Freund, and Eric Olsen received awards at the Morgan-Washington Bi-County Science Fair held annually and then went on to compete in state competition. During the year, several speakers came to talk to the members on math, science, and related topics. Among these were Professor Hodges and Professor Zirakadeh from the University of Colorado. Plans for next year include a club project for the science fair.

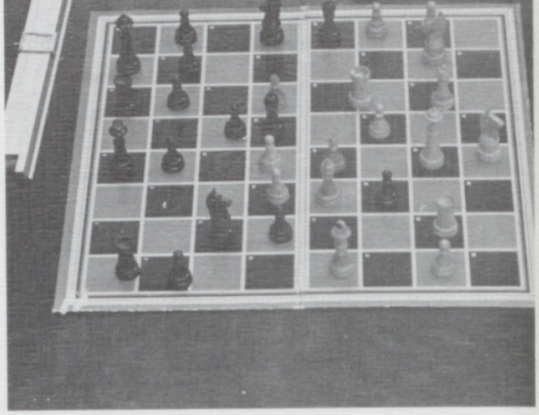

CHESS CLUB CHECKS SECOND YEAR

Chess Club began its second year with a slow start and as the year progressed the number of members increased. The officers for the year were: president, Chris Ruebel; vice president, Bob McGlynn; and secretary-treasurer, Andy Mitchell. Again, as last year, the club held a tournament within the club, with three levels of competition: masters, intermediate, and beginners. During the school year, the club organized a tournament with Fort Morgan and Akron in order to give the members an opportunity to compete with other schools.

IRC SENDS ELEVEN TO MODEL U.N.

Under the direction of Mr. Paul W. Stimson, the International Relations Club sent eleven delegates to the Model United Nations at UNC in Greeley April 5 and 6. Arnie Andersen and Tom Mann represented Saudi Arabia; Karen Cox and Saundra Scoville, United Arab Emirate; Gayle Lindell and Amy Wahlert, Thailand; Brenda Eskew and Donna Anderson, Paraguay; and Dori Cox and Cathy Chrismer, Nicaragua. Also, Kerry Hannam, our exchange student, represented her own country, New Zealand.

Officers for the 1973-74 year were Gayle Lindell, president; Susie Villarreal, vice president; Cindy Chrismer, secretary; Karen Cox, treasurer; and Saundra Scoville, food chairman.

Banquets were held at various times throughout the year. One featured a German exchange student and another had Dr. Zahi Kammal of Saudi Arabia.

SERVICE IS KEY TO FHA YEAR

Under the direction of Miss Laura Franklin, the Brush chapter of the Future Homemakers of America led a variety of projects. The year began with a concession stand at the fair in August. During football season the club served training meals to the varsity team. For the remainder of the year the group invited parents, school officials, and classmates to take part in discussions on apathy and school spirit, contraceptives and the unwed mother, conservation, and the elderly.

Presiding over the club was Deena Houghton. Cheryl Bailey served as vice-president, Aline Geist was elected to both chapter and N.E. District Secretarial positions, and Sandy Elson was chapter treasurer. Holding the offices of parliamentarian, songleader, and historian-reporter were Joanne Bellis, Kathy Kolman, and Denise Sumner, respectively.

CLEARING HOUSE HELPS HANDICAPPED

Under the direction of Mrs. Jane Van Dyke, the Clearing House Club pursued their goal and made many handicapped children happy. In October, a Halloween party was held, in February, a Valentine's party, and in April, an Easter party was given to the children. At the end of the school year a picnic was held and students from STAR and NORESCO schools were taken by bus to Riverside Park to play games and eat dinner.

Cheryl Bailey served as president for 1973-1974, while Harvey Holt served as vice-president, Deena Houghton as secretary, Joan Paynter as treasurer, and Denise Sumner as club reporter.

J-STAFF INITIATES 17 NEW MEMBERS

J-STAFF INITIATES 17 NEW MEMBERS

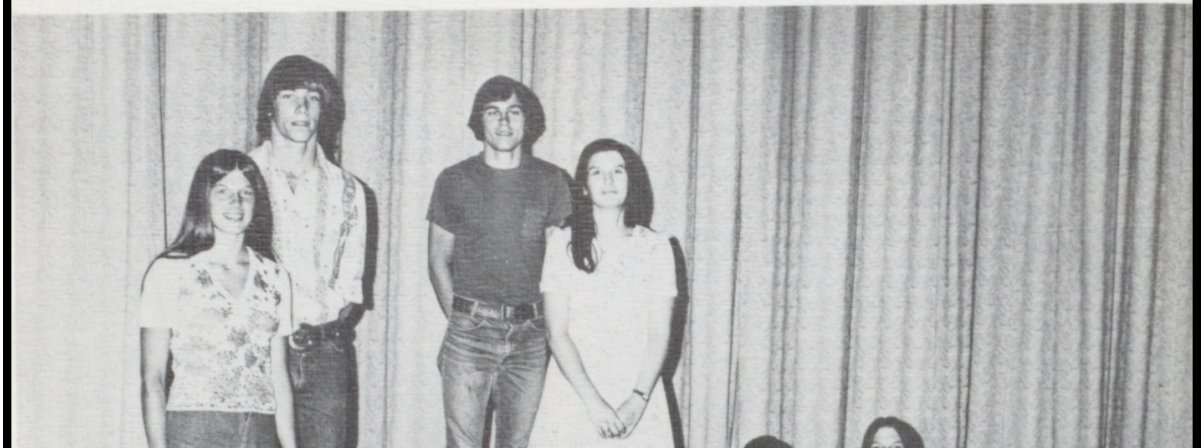

Seventeen of the twenty-three members were new on the J-Staff for the 1973-1974 school year. Under the editing of Kathy Elling, the 1974 edition of the yearbook was completed. Nine issues of the newspaper were also published with the guidance of the co-editors, Janet Giauque and Georgia Whitney. NUMBER FORTY

As last year, three junior girls were chosen as Girls' State delegates, and three alternates were also selected. HARDING HEADS MUSIC DEPARTMENT

Eighty-four members composed the Concert-Marching Band for the 1973-74 year. Besides performing at football games and three major concerts, the band spent two days in Rapid City, South Dakota for the Dakota Days Band Festival. While in South Dakota, they attended a concert presented by Doc Severinsen.

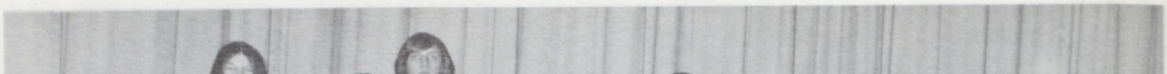

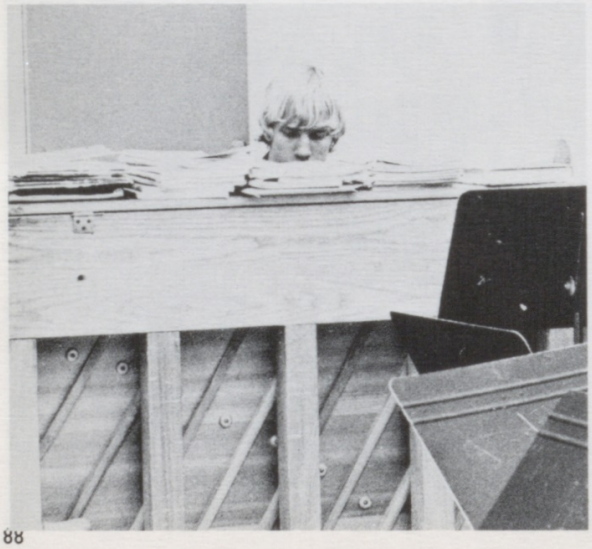

With 70 members, the Concert Choir started the '73-74 school year with a choir clinic in Akron during November. In December they combined their talents with Select Choir and Thespians for a Christmas program for the public on December 20. They also performed concerts for the Thompson and Central Schools. In the early spring they hosted the Adams State Choir. The choir ended its year of presentations with a final performance at Baccalaureate.

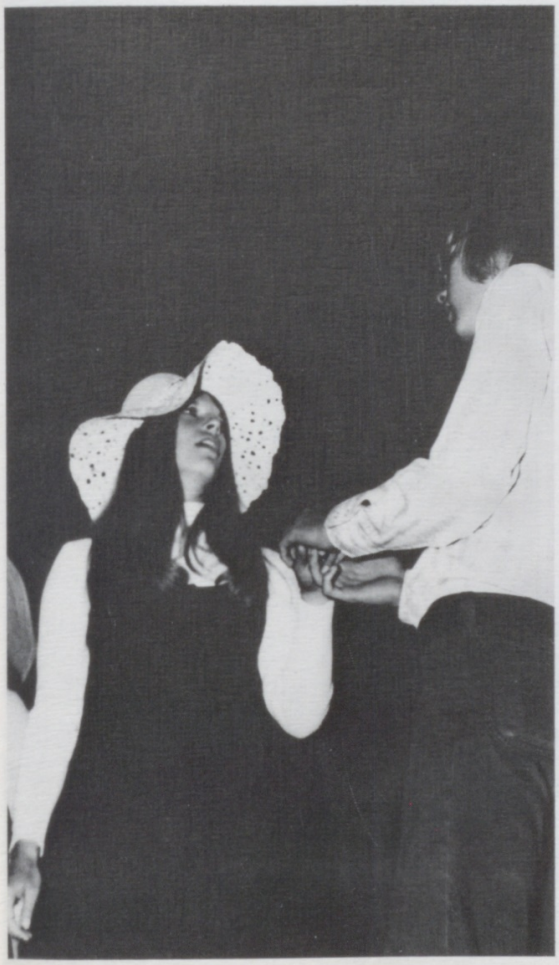

Throughout the year, the Stage Band gave a number of performances ranging from those given at the schools within our system, to private organizations.

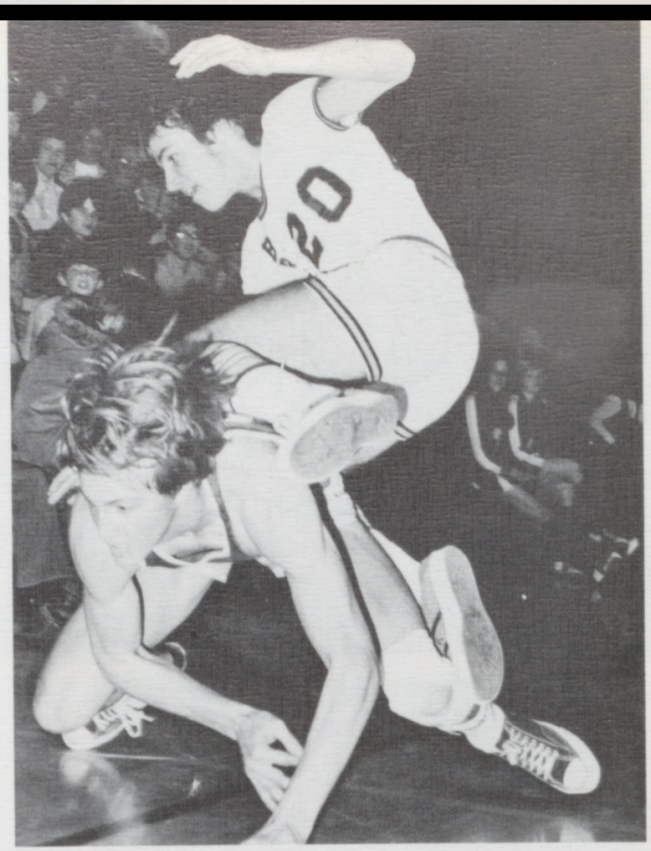

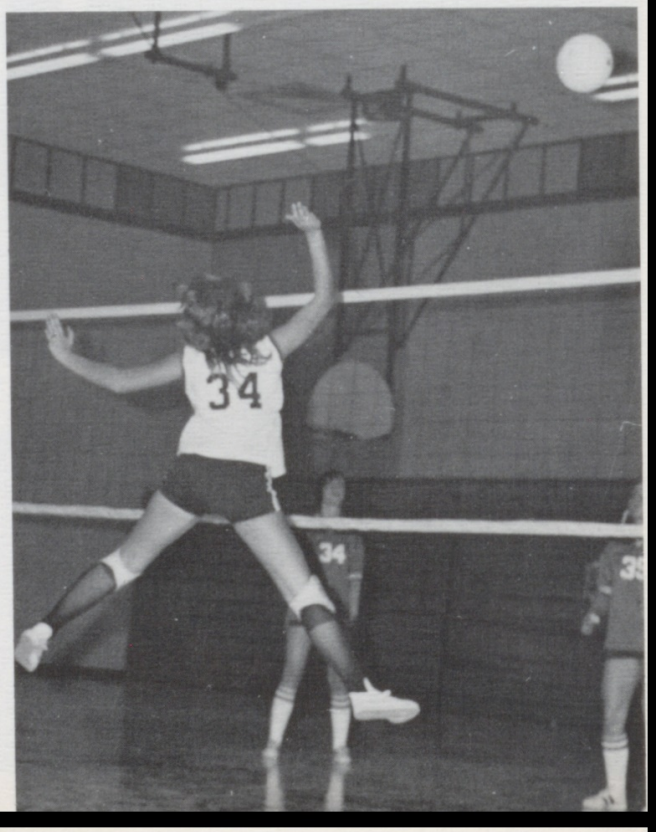

Select Choir members were auditioned in the late spring of '73. During the following year they performed for both private organizations and for the public. Other performances included entertaining the North Central Evaluation Team and joining together with the Concert Choir for Baccalaureate.

Brush hosted the 1973-74 district wrestling tournament. BHS matmen placed third in this event, while Wray took first and Burlington, second.

Coached by Wes Stolte, Don Gabriel, and Rick Rivard, Brush sent three wrestlers, Joe Herrera, Gaylen Bostron, and David Samples, to the state tournament. Samples highlighted the event for Brush by placing second.

GOLFERS ADD TWO TROPHIES

Changing the season for the Brush Golfers seemed to give them a bit of a boost because they added two trophies, a first and a second, to the Brush collection. The first place trophy was captured when the team took the Akron Invitational for the second year in a row and the second place trophy was won in the Brush Invitational when they took second out of eight teams.

GIRLS' SEND FIVE TO JEFFERSON STADIUM

Weather conditions favored the girls' track team this year, allowing them to compete in six of their eight scheduled meets. Although the team was again forced to practice at the junior high, they had a good season, placing in the upper ten percent of all events.

District was held at Roosevelt High School, May 10. Brush took third in the 440 yard relay, fourth in the mile run, and fifth in the 880 yard medley. Only the top four places qualified for state. Brush was represented at the State meet in Denver by Kathy Elling, Tonya Norwood, Karen Strauch, and Wendy Whitney in the 440 relay, and by Barb Wagers in the mile run.

"The Diggers had a good season," said Coach Adam Roskop, "considering the practice facilities. They placed high in many big track meets, as Miller led the tracksters in most of these by bringing in many points."

In district, Dennis Miller took four firsts, Kory Cornum a third, Louie Marez a third, Joe Herrera third, and Chris Dahlinger a fourth. Brush led after the field events, but saw the lead dwindle slowly until they ended up in fifth place.

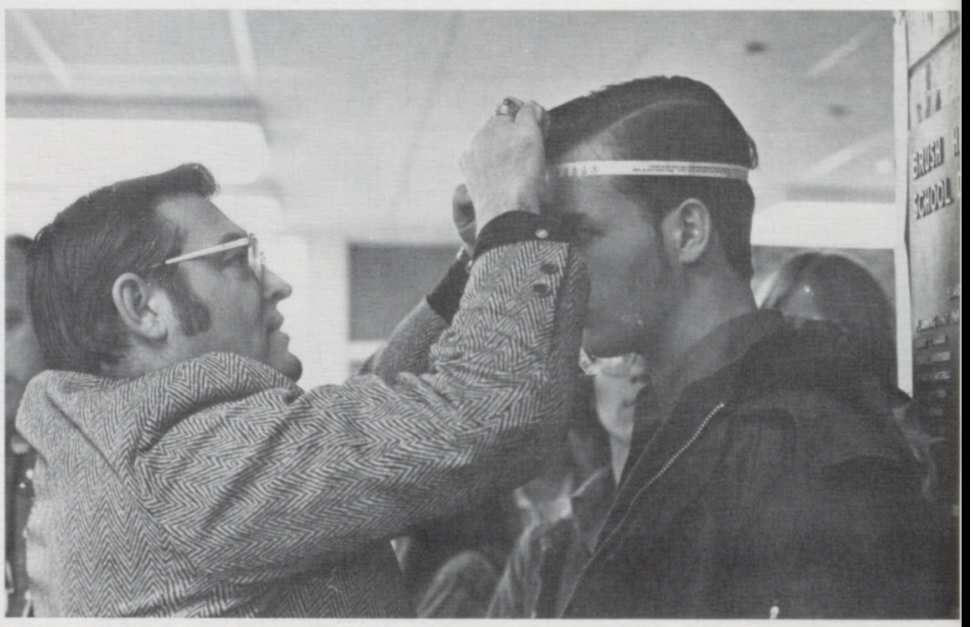

This was the record . . .

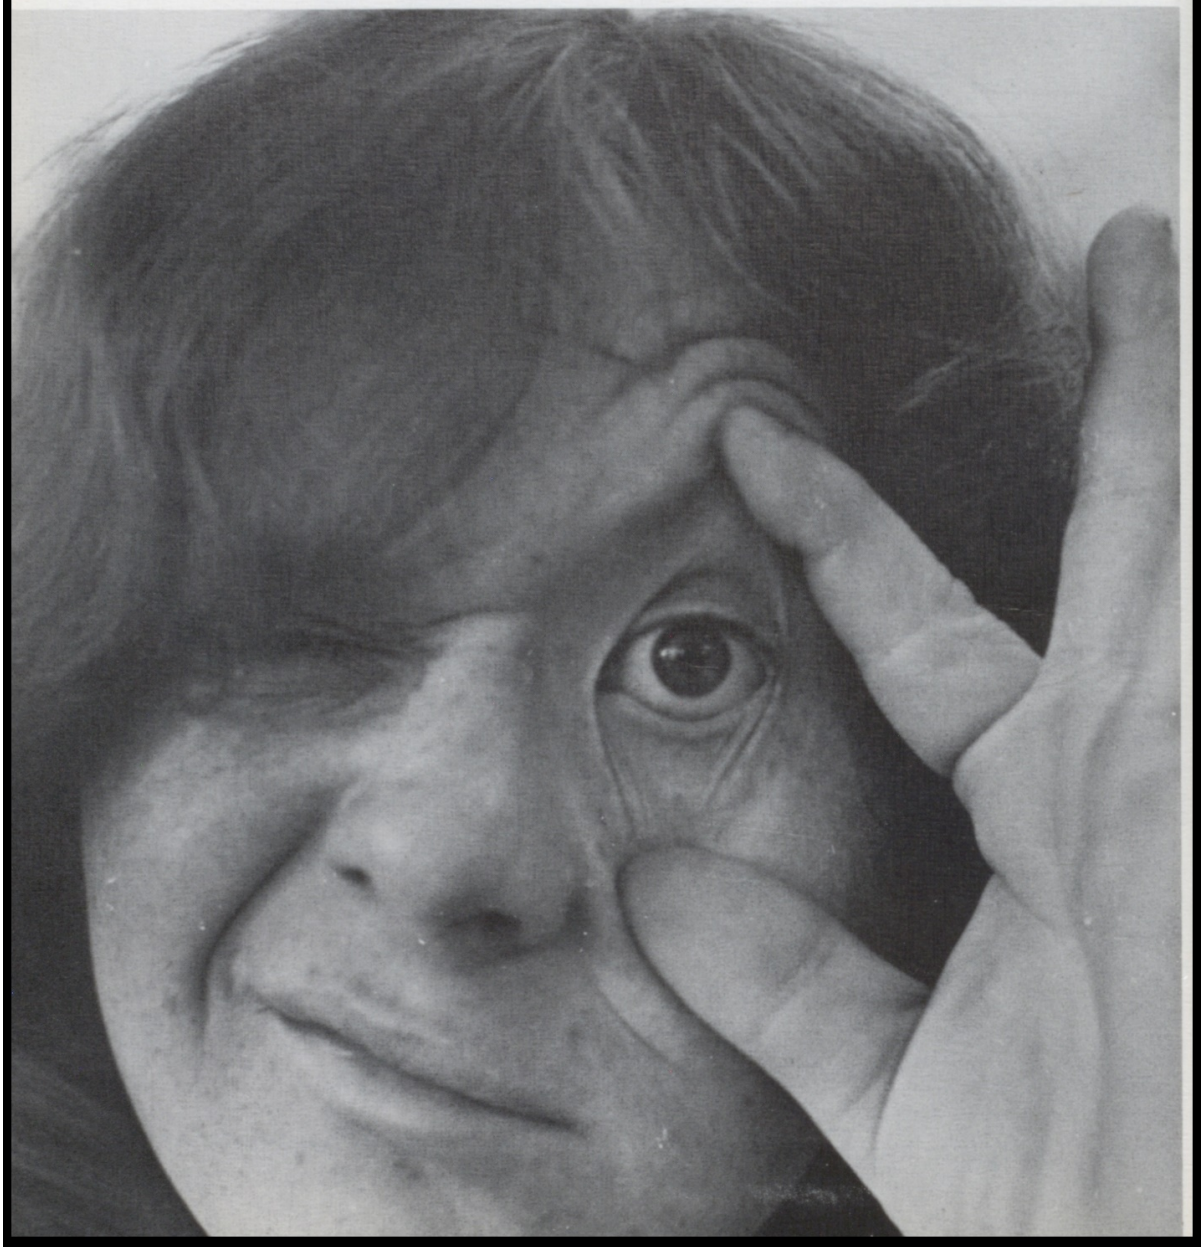

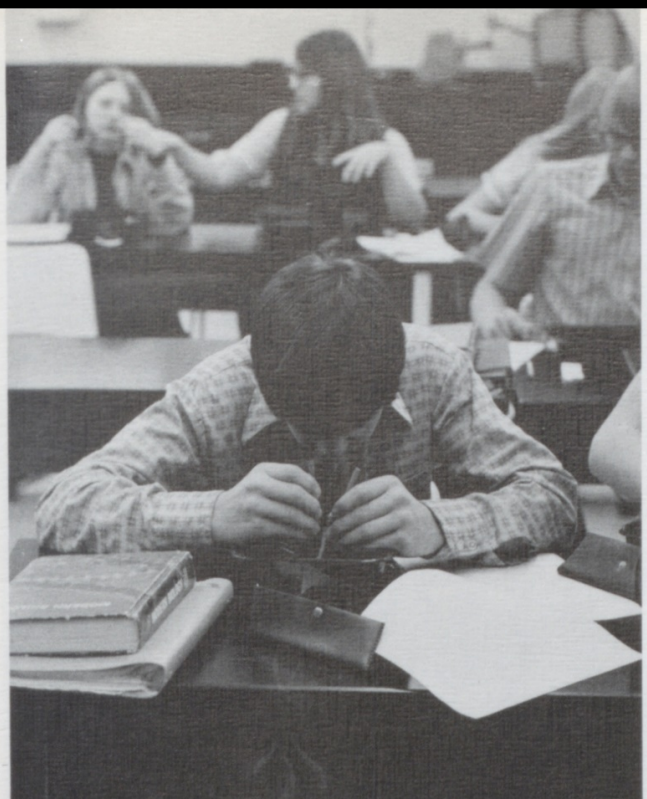

Here is the story . . .

THE STORY

74. Never again will a year be comprised of this particular combination of people, and those special experiences and accomplishments that were unforgetable segments of that school year.

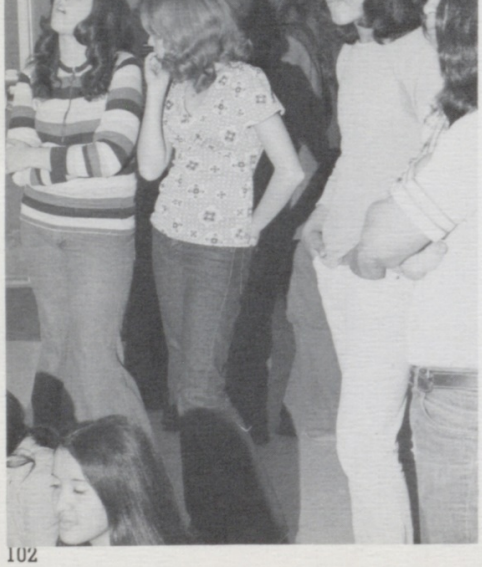

The year 1973-74 tells a story all its own; a story built upon the laughs, the disappointments, and the unexpected pleasures of the people of Brush High School.

As the seasons change and time progresses, so do the students of BHS. Here is their story.

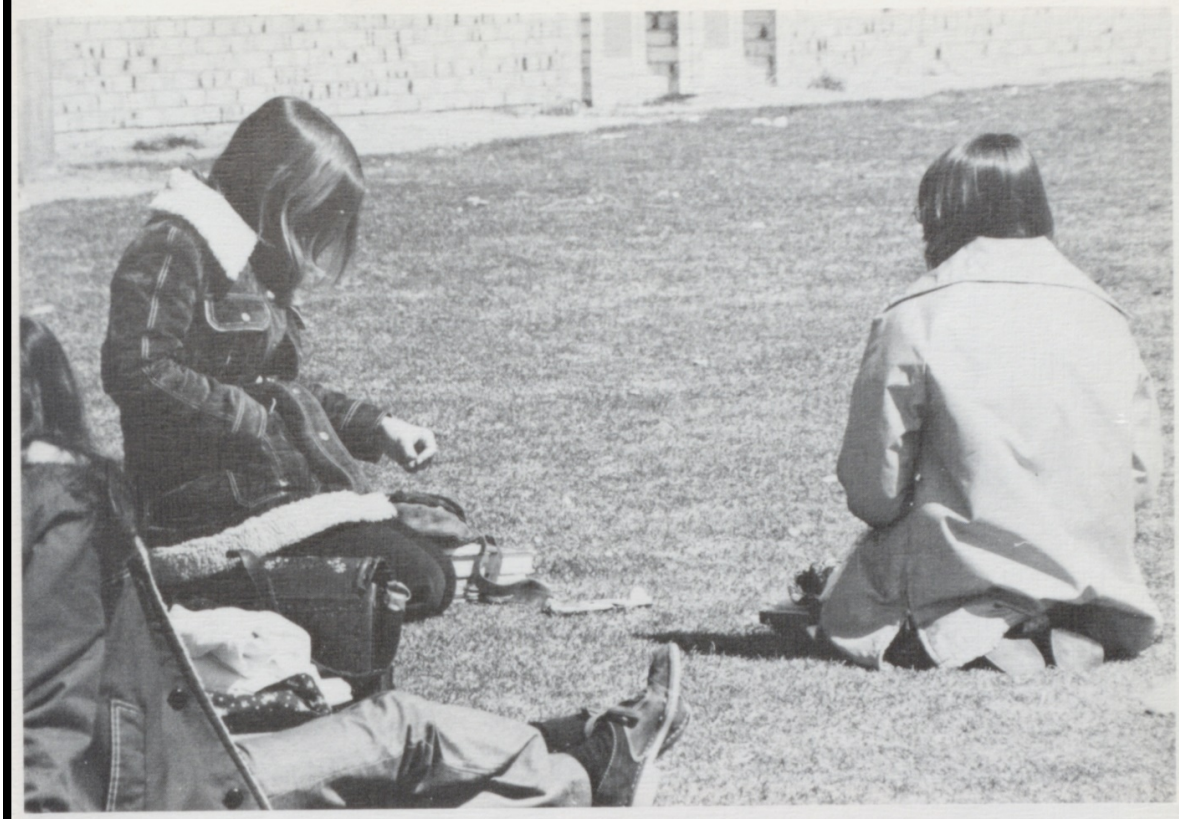

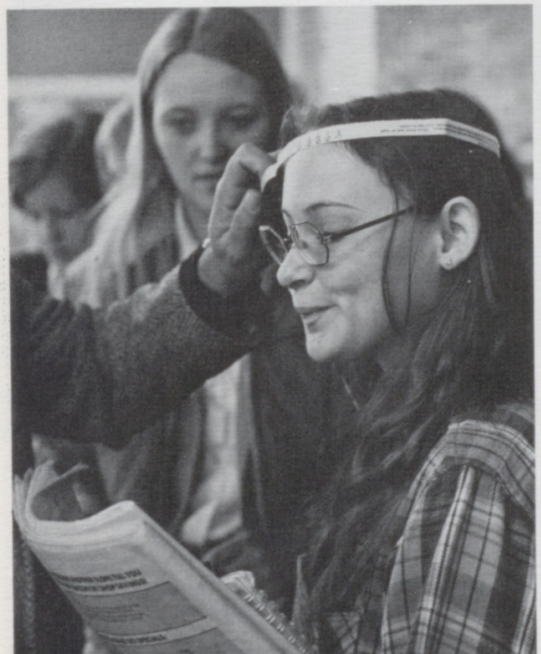

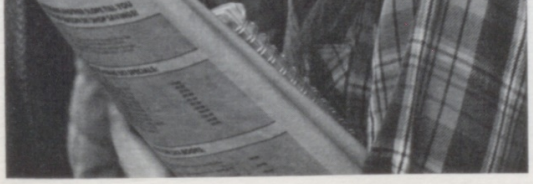

Warm fall days and fall nights tended to take the students' minds off the business of studies and homework, and on to the more important business of dances, staring, and just general "goofing off" with one's friends.

Then, as the year progressed along, the students once again looked not in the past, but toward the future, the spring days, graduation, and . . .

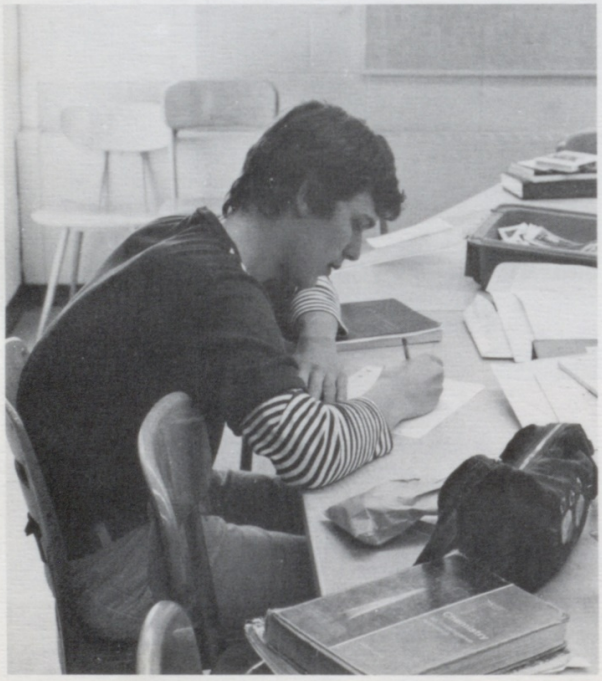

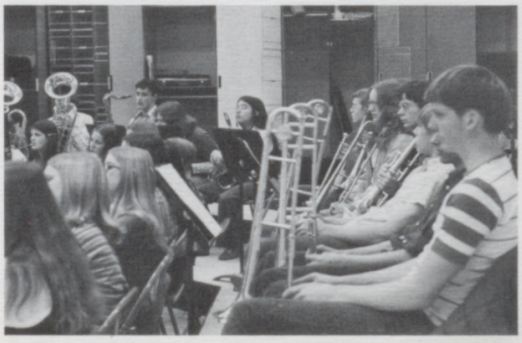

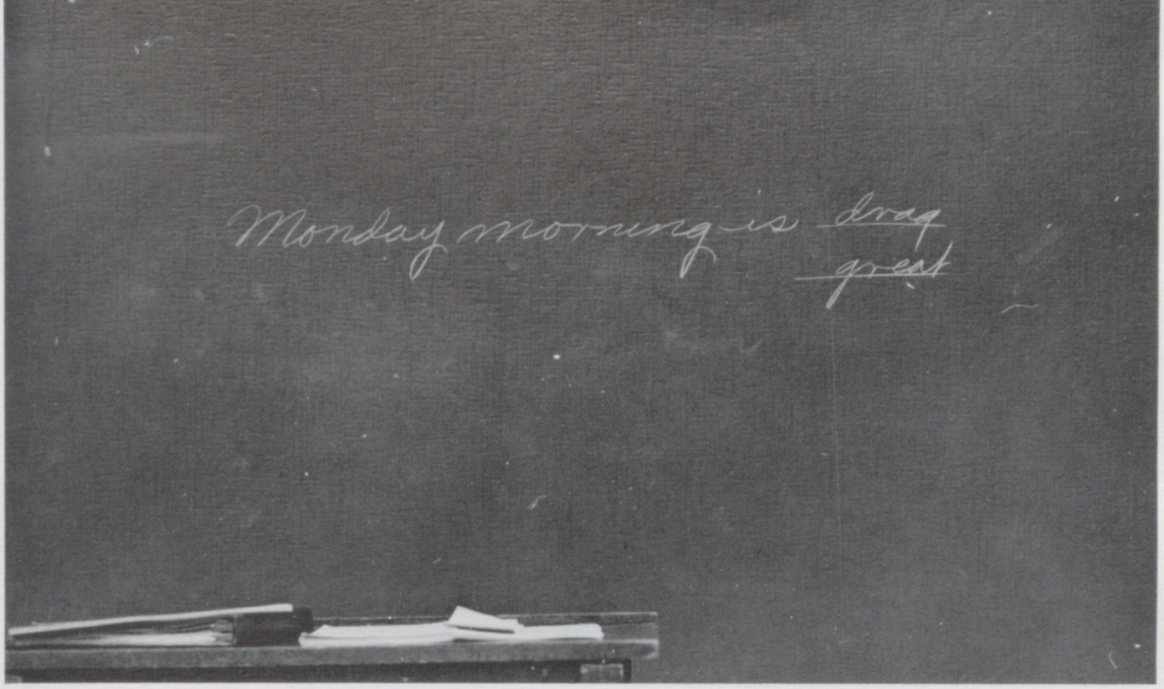

As the school year progressed, the days seemed longer and the weekends seemed to never come.

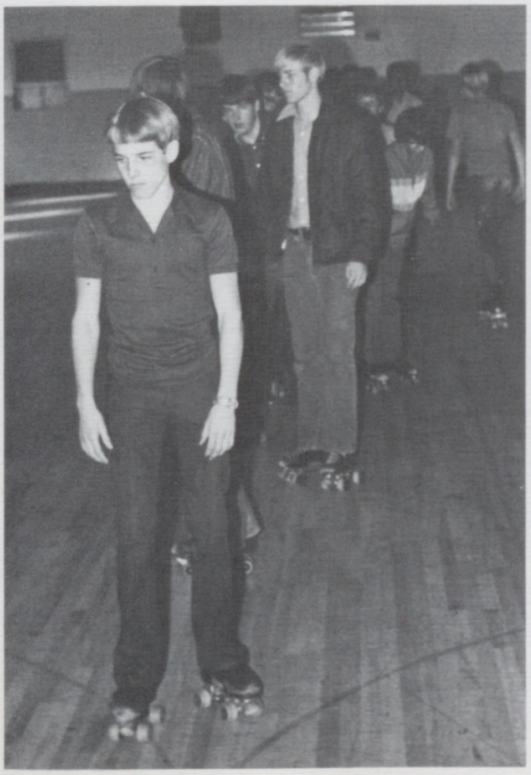

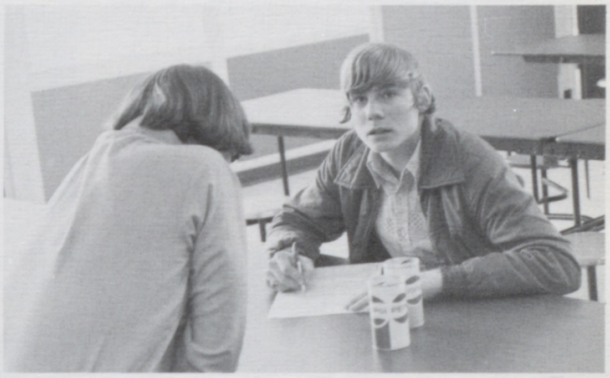

During the long school year, Brush High School students found many ways to combat school fatigue. Among these were frequent trips to the restroom and also quietly sneaking off to the cafetorium for a pop break.

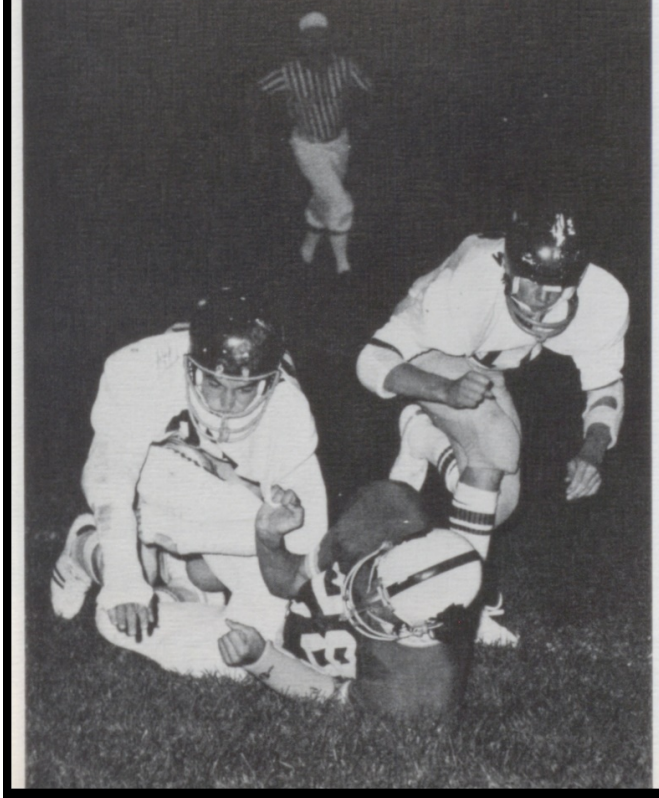

FALL

As the red and gold autumn leaves lazily fell to the earth, the halls of Brush High School vibrated with the excitement a new year brings. With the last fallen leaf, the students of BHS found themselves looking back on an activity filled season. Highlighting the 1973 autumn were the Digger football games and a memorable Jr. Class Play. Especially for the graduating class of 1974, the fall of '73 was something to remember.

Although there were those for whom fall activities were primarily a spectator sport, there were others who, at times, became totally involved.

Biology was once again offered as the main second year science class. This course basically consisted of sophomores as students. The main purpose of this class was to explore different forms of life from the smallest amoeba to the giant giant redwood tree.

Freshmen get a good taste of higher education in their physical science class.

P.E. classes prove that life does have its ups and downs. This senior shows that spills are contradictory to an upperclassman's usual confidence and poise.

Sometimes school stimulates the brain and then again, sometimes it doesn't. These students may look quietly contented with their work on the outside, but inwardly, school is the last place that they wish to be at the time.

School is a place of hard work, but many students can find the time to break the boredom and sit back to read a good book, fiddle with their newest toy, or just daydream of the night before.

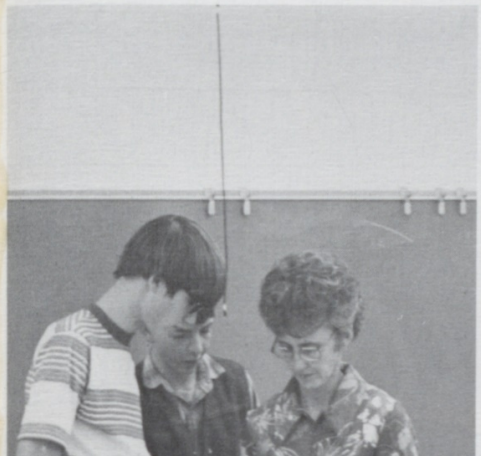

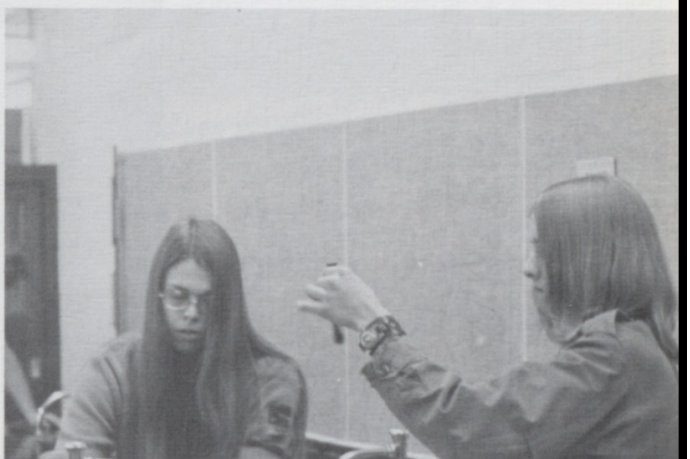

Friendship and companionship have long been undisputed basic needs of life. However, there comes a time in every student's life when a moment of solitude becomes necessary. Unknown to the record, though, is whether these lonely moments were planned or, if for some personal reasons, all the other students of BHS chose to be in other parts of the building for a while.

DIGGERS SMASH 23 RECORDS

Twelve individual and eleven team records were broken at Brush High during the 1973 football season. Dennis Miller was selected to the all-state team as an end and ranked high in the state in receiving.

John Lynch broke four passing records followed by three receiving records for Dennis Miller, while Randy Needens kicked extra points and intercepted passes for new marks. Gaylene Bostron blocked passes while Randy Jones blocked kicks and Carl Peters scored one safety to finish out the individual records.

Passing again led the team records as yards, attempts, completions, scoring, completion per centage, and first downs by passing were all broken. Extra points by kicking was the lone remaining offensive team mark which fell. Safeties, tackles, assists, and interceptions were the defensive team records broken.

The Brush J.V.'s had a fine 6-0-1 season followed by the frosh with a 2-1 performance. With these kinds of records Digger fans should have plenty to look forward to in future years.

Mr. Donald Thomas again headed the coaching staff with Craig Kientz and Tim McGlynn assisting. Former alumni Larry Mills was the new J.V. coach and LeeRoy Needens led the frosh while also helping Coach Mills with the J.V.'s.

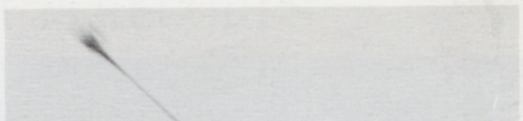

GOLFERS CHANGE TO A FALL SPORT

Brush's golf team experienced a rather unusual season this year when their normal spring sport was changed to fall. There was a good turnout for the 73 season with 14 boys out for the team. The team started out hot with a seven match winning streak, but then broke the chain with a fourth place for the JV's and a tenth place for the varsity team. The golfers ended the season with a two-club, intra-squad tournament.

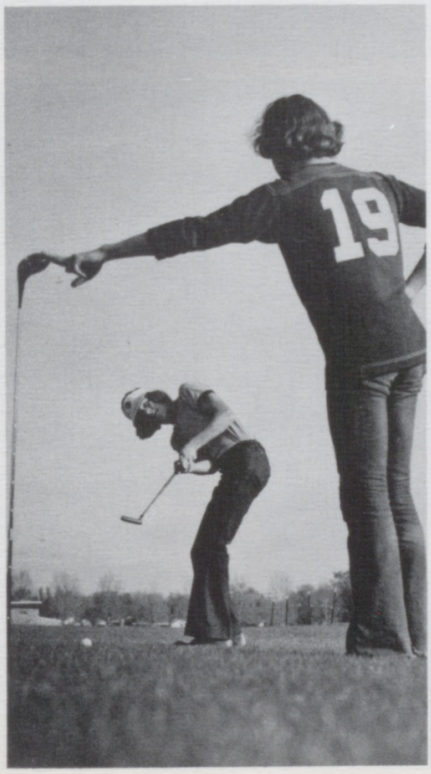

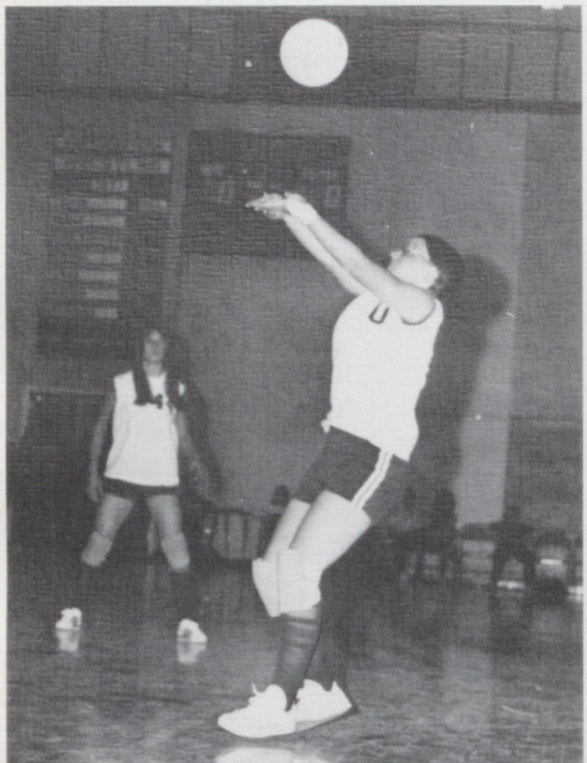

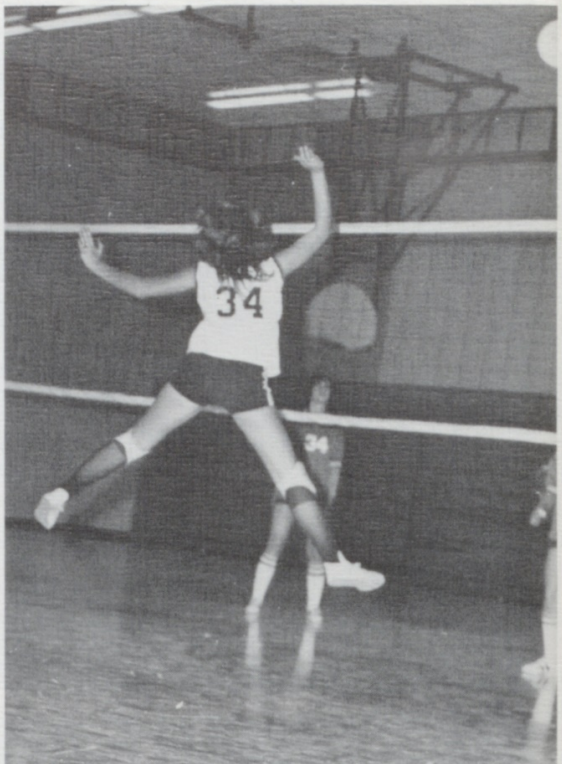

GIRLS HAVE GOOD SEASON

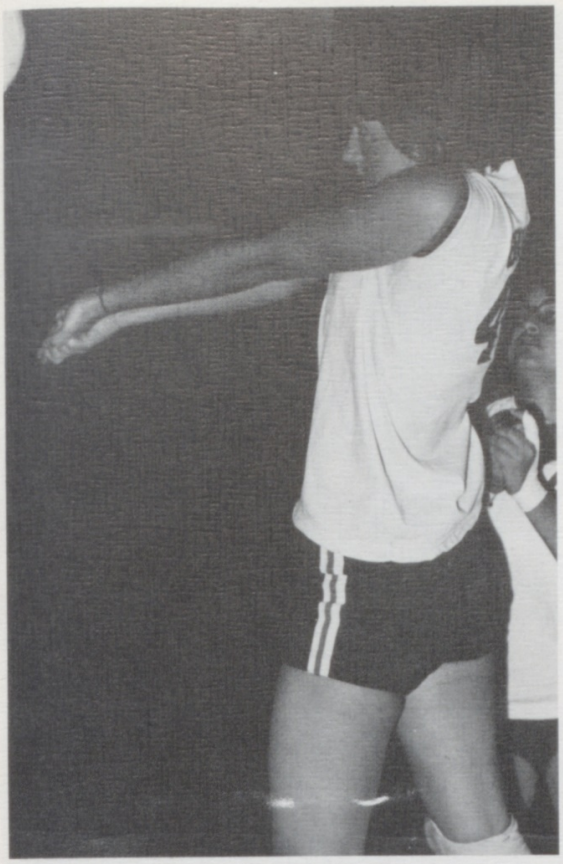

Concluding the 1973-'74 Volleyball season, Brush hosted the Northeastern League Tournament. The Beetdiggers finished with second place after dropping the championship match to Wray.

At the conclusion of the tournament, the coaches selected an All-Star Team of six, of which Brush girls were selected to hold four of the positions. Those selected from Brush were: Barb Wagers, Cindy Hunt, Pat Mitchell, and Kathy Elling.

JUNIORS, SENIORS TIE FOR FIRST IN FLOATS

Homecoming float decorating was on three nights—Oct. 8,9 and 11. Unmeasurable effort was put forth by all four classes to construct float plans. On Saturday morning, Oct. 13, a parade was held at which time the final products were revealed.

"Diggers are G-r-reat!", presented by the Freshmen, received third place. The Sophomores' "Diggers are Glorious" took second. Placing first were both Juniors and Seniors with the mottos "Diggers are Bootin' for a Victory" and "Diggers are Dynamite", respectively.

The floats made their final debut at the Homecoming game as they were presented to the crowd as part of the halftime festivities.

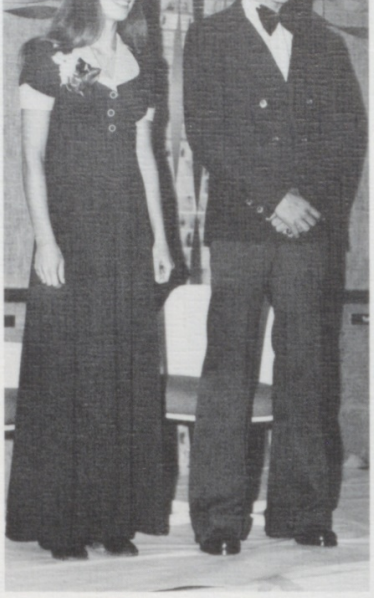

KATHY AND DENNIS REIGN AT HOMECOMING

Kathy Elling and Dennis Miller were chosen as royalty for the 1973 Homecoming festivities. Kathy's attendants were Ellen Bailey, Pat Mitchell and Marlene Schilling. Rick Baker, Pete Krohn and Dave Samples served as attendants for Dennis. The coronation highlighted the halftime activities during the Brush vs Burlington game, where the Diggers lost by a score of 27-14.

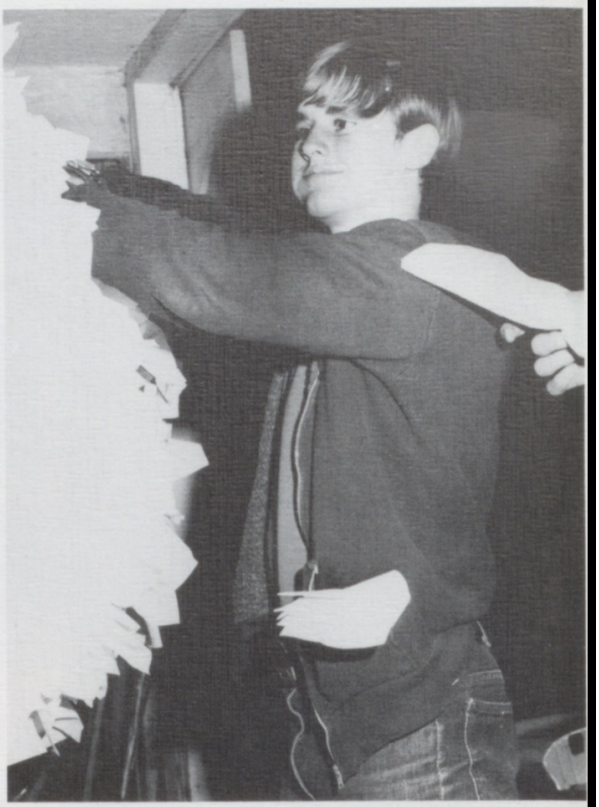

The classes of '74 and '75 both took top honors with their floats; the first time in years that a tie for first has taken place in the float competition.

The Homecoming Dance, held Saturday evening with the theme "Diggers Are . . . ", took place in the BHS cafetorium, which was decorated with streamers and footballs. "Scratch" provided the music for the dance from 8:00-12:00 P.M.

STUDENTS ENJOY GREAT MOMENTS . . .

Students enjoyed decorating for the various fall festivities almost as much as the festivities themselves!

Fall months provided a wide variety of activities for the BHS student both in and out of school. Seniors and freshmen challenged the sophomores and juniors to a fierce powder puff football battle which resulted in the seniors defending their title. The junior class tried several new things during the season, including a melodrama complete with villain and heroine and "manpower" to pull their float.

During their study period, students often tuned into KBHS on the intercom to listen to selected music and comments from the student D.J.'s.

Football team members were served meals by the Home Ec. Department before their games each Friday.

ENERGY SHORTAGE HITS PEP CLUB

Anxious pep club members cheer the Digger football team on to victory as they count down the last three seconds, and exclaim with equal fervor, "We're number 1!" after an exciting 51-50 win over the Haxtun Bulldogs late in the basketball season.

Despite the energy shortage and related problems the pep club faced, they still supported the teams at out-of-town events by traveling with them to the games on the bus. In addition, the pom-pon girls presented routines, and others gave skits at pep assemblies to promote school spirit.

CLASS OF '74 UNDEFEATED

CLASS OF '74 UNDEFEATED

Seniors and freshmen were ready to start the game as shown here by their punting. The classes kept getting away from each other on their plays. "Where's the ball!" became the familiar cry of the teams as they were in the process of "tackling" each other for the ball. Everyone always felt sorry for the person that was unlucky enough to be on the bottom of the pile.

Well, it really was a close game but once again the Classes of '74 and '77 defeated the Classes of '75 and '76 with a score of 18-0.

The class of '74 is undefeated in all the powder puff games they have played in.

The evening was spent playing 'mixing' games with a parachute and later dancing to the music of the "No-No's".

Oct. 29 was the date marked for the GAA Halloween Party. Beginning with a "pot luck" chili supper at 6:30 P.M., activities continued through the evening until 9:30. Games included bobbing for apples, extinguishing a candle with a cork and others.

"75" PRESENTS MELODRAMA

"Adrift in New York" was the title of the annual Junior Class play this year. The play was held November 8 and 9 to full houses both evenings.

The play was a melodrama with a cast of 14. The plot was set back in the 1890's when Nellie Weston, a farm girl, runs away to find herself. The family is almost thrown out of their house by a dastardly villian, but the boy next door finally saves them.

The Junior Class all took part in selling tickets for the melodrama, which was directed by Mrs. Eleise Bloom, assisted by Miss Lorraine Young.

Cast for "Adrift in New York" included: Kathie Flinn, Arnie Andersen, Joan Murphy, Cheryl Wood, Leroy Pangle, Andy Mitchell, Eric Olsen, Chris Ruebel, Randy Jones, Gary Wantlin, Byron Danielsen, Nancy Beckley, Nancy Swinson, Saundra Scoville, and Lynn Price.

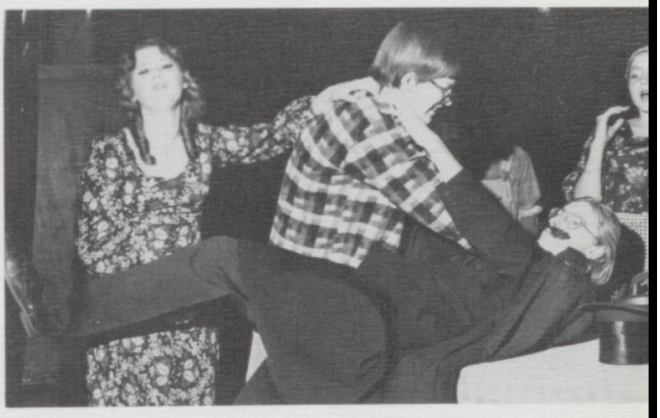

Prompter, business manager, publicity, and properties were done by Karen Cox, Amy Wahlert, Donna Anderson, Barb Jones and Charleta Rose respectively.

Lynn Price portrayed the honky-tonk piano player in the "Gay Nineties" bowry bar.

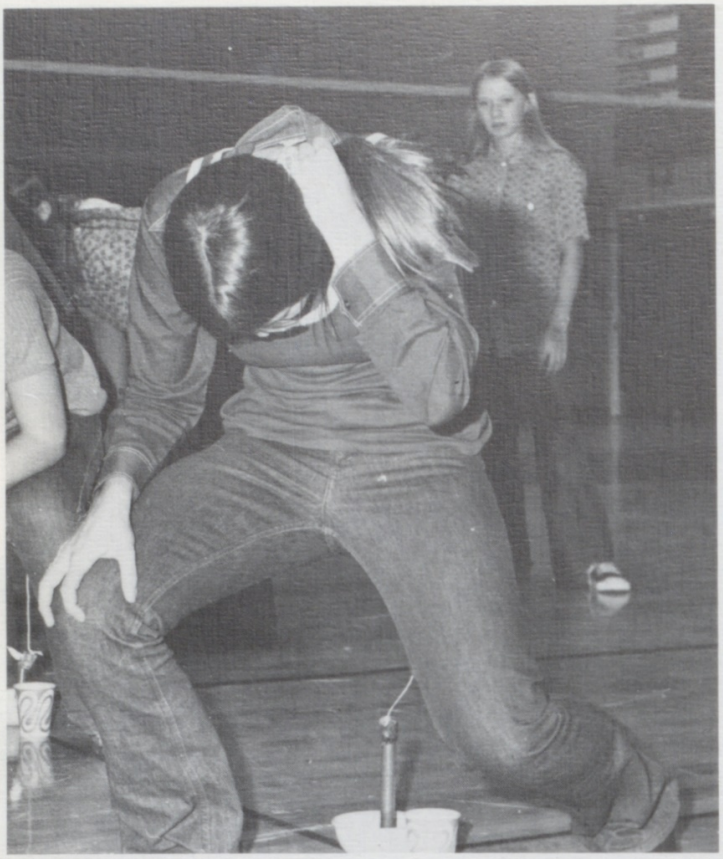

The hero and the villain fight desperately while the Weston family anxiously looks on.

Despite the coldness of a nippy autumn, school continued on. Recreational activities were of both a competitive and social nature.

WINTER

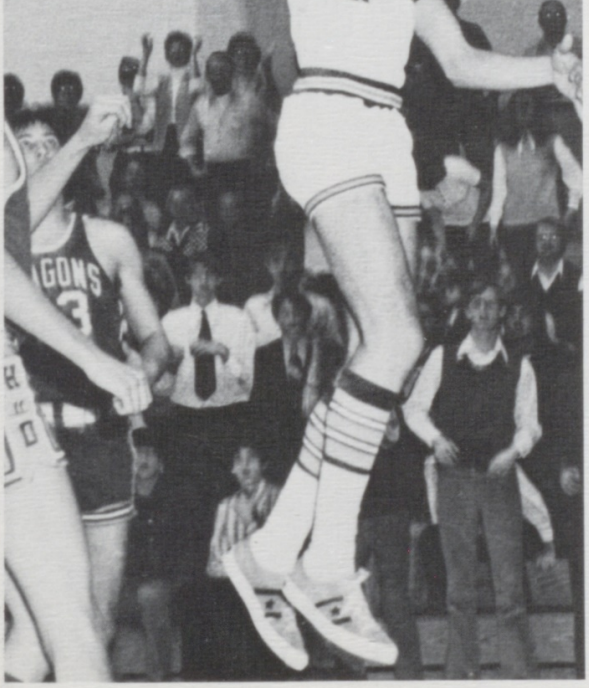

13-1 SEASON RESULTS IN LEAGUE CROWN

Dennis Miller scored 38 points against Holyoke to destroy the single high game record previously shared by Brendy Lee and Herb Koehler.

After making a comeback from an early defeat by the Haxtun Bulldogs, Brush went undefeated to win the League title and advance to the District playoffs.

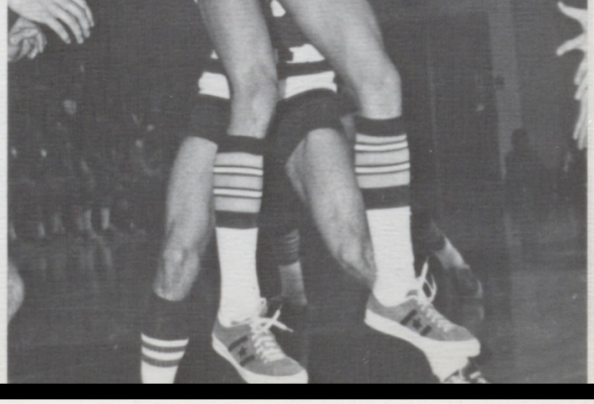

Having captured the number one position in the Northeastern League, the Beetdiggers were seated as the number one team at the Sub-District Tournament in Yuma. Brush then defeated Akron, Wray, and Julesburg to collect their second trophy.

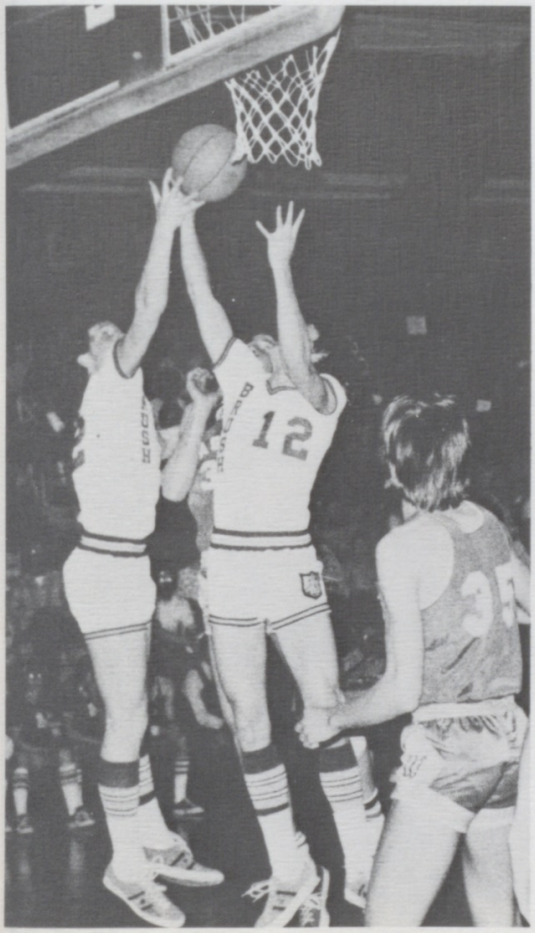

BRUSH ADVANCES TO STATE

With the combination of team effort, individual performance, and enthusiastic fans, the Beetdiggers continued to win.

CHAMPIONSHIP DRAWS NEAR

In their first game of the State Tournament, the Beetdiggers defeated Moffat County by the score of 71-68. Brush then squeaked by the Manitou Springs Mustangs 67-66, to advance to the championship playoff game against Glenwood Springs.

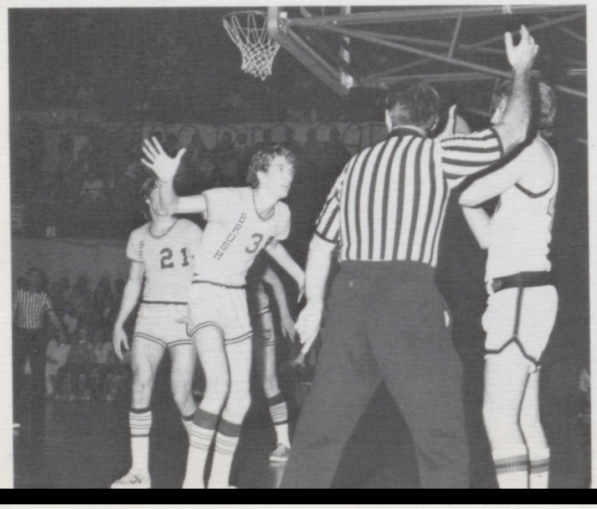

The Brush Beetdiggers then claimed their fourth state championship . . . the last one having been in 1969. After a hard fought battle with Glenwood Springs, Brush became the undisputed number one team in the state!

As well as claiming the state title, three individuals also received honors. Randy Needens was selected as the outstanding player of the tournament, All-State, and broke the Brush free throw record with his efforts at state. John Lynch and Dennis Miller were also selected as All-Staters.

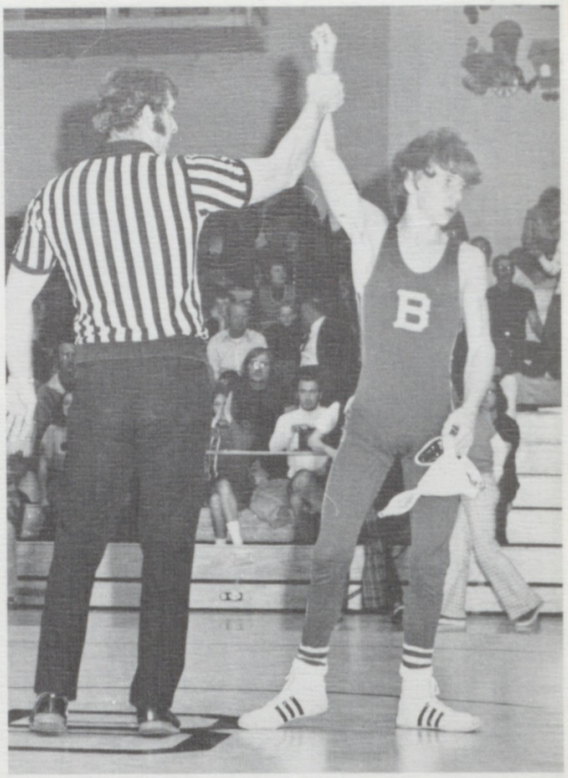

BRUSH IS NUMBER ONE!

SAMPLES TAKES SECOND AT STATE

For the Brush Wrestlers, the 1973-74 season held a mixture of victory and defeat. The Diggers began the season with unexpected strength by downing Highland and Caliche. These victories were followed by the Diggers' win at the Eaton Triple Duel. By Christmas, the Brush grapplers had accumulated nine victories and only one loss, but the new year wasn't so kind. Marred by injury and illness, Brush finished the season in fifth place.

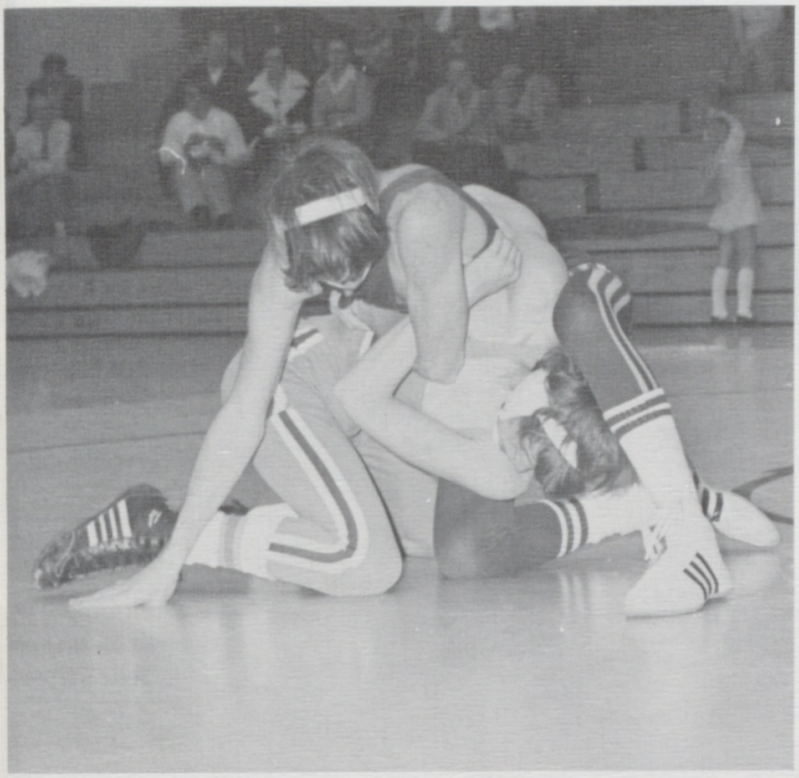

Brush's luck changed again when they placed third in the District Tournament, sending Gaylen Bostron, Joe Herrera and Dave Samples to the State Tourney. Dave ended the season for the Brush wrestlers by taking second place in the state tournament at 119 pounds.

STUDENTS BREAK CUSTOM

STUDENTS BREAK CUSTOM

Custom at Brush High School was broken this year by not having the annual class skits presented by each class at Christmas time. Instead, this year an evening program was held. Under the direction of Mrs. Bloom and Mr. Harding, and along with the combined effort of the Select Choir, Concert Choir, and Thespian Troupe, a variety of talent was displayed at the performance.

Select Choir and Concert Choirs sang songs that were appropriate for the times, while the Thespians acted out a small skit. Before most of the songs, readers from the Thespians presented original writings and interpretations of the songs.

During this time, the art classes were decorating windows and other students were making decorations for the evening program.

FOREIGN LANGUAGE KEEPS TRADITION

Once again Mrs. Bloom and Mrs. Queen had parties for the German and Spanish students in their foreign language classes.

Spanish classes broke pinatas and ate Mexican foods, while the German students ate cabbage pockets, strudel and other German dishes. Both groups sang songs from their countries.

When all was done, the students were "stuffed", not to mention the teachers. The Christmas parties proved to break the monotony of the regular class routine.

STUDENTS GO FROM BANDS . . .

Everyone needed to get into the feel of the music. The slow dances took many of the "steadies" to the floor, anxious to get to the beat of the music. On the fast dances, new couples appeared. People really learned to swing their hips and sway to the "neat" music. Though most of the dances were supplied with records instead of a "live band", most seemed to enjoy themselves.

TO RECORDS AT SOCKHOPS

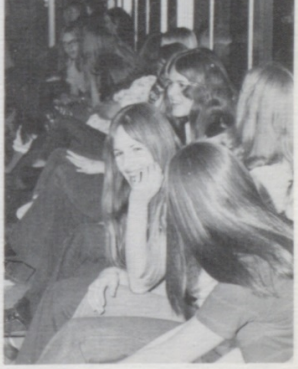

During the 1973-'74 school year, recorded music replaced the familiar "live" band sound, and much to the dismay of the students, the record sockhops provided as much fun and relaxation as the "live" music did. Whether the kids were kickin' up their heels on the dance floor, taking a refreshment break, or patiently waiting to be asked for the next dance, they seemed to be enjoying themselves!

SAMPLES HONORED AS MR. BEETDIGGER '74

Decorations consisting of hourglasses for the theme, "A Time for Us," and colors of dark and light blue were selected by the Pep Club for their 27th annual Sweetheart Dance. This was the second year that the high school cafetorium was used for the March 23rd event.

"Crystal Rock" from Colorado Springs provided music for the dance from 8:30 p.m. until midnight. Refreshments furnished by the Pep Club members consisted of cookies, mints, sandwiches, and punch.

Dave Samples was crowned as Mr. Beetdigger by the Pep Club President, Kathy Elling. Attendants Chris Dahlinger, Pete Krohn, and Rick Baker were escorted to the throne by Mary Jane Biggin, head pom pon girl; Patty Pabst, head B-squad cheerleader; and Deb Gnagy, head A-squad cheerleader, respectively.

S.E.E.C. GETS THUMPED

On April 9, the S.E.E.C. girls challenged the women faculty and the wives of the male faculty to a basketball game. This annual game serves as a money-making project whereby the proceeds send the girls to the State Convention in Denver. The remainder of the profit goes toward the S.E.E.C. Scholorship.

Even though the S.E.E.C. girls suffered a 24-12 loss, the game was thoroughly enjoyed by the entire S.E.E.C. organization.

G.A.A. HAS PATIO FEAST

April 20, G.A.A. held a cookout in the patio section of BHS. Also attending the picnic were the mothers of the G.A.A. members.

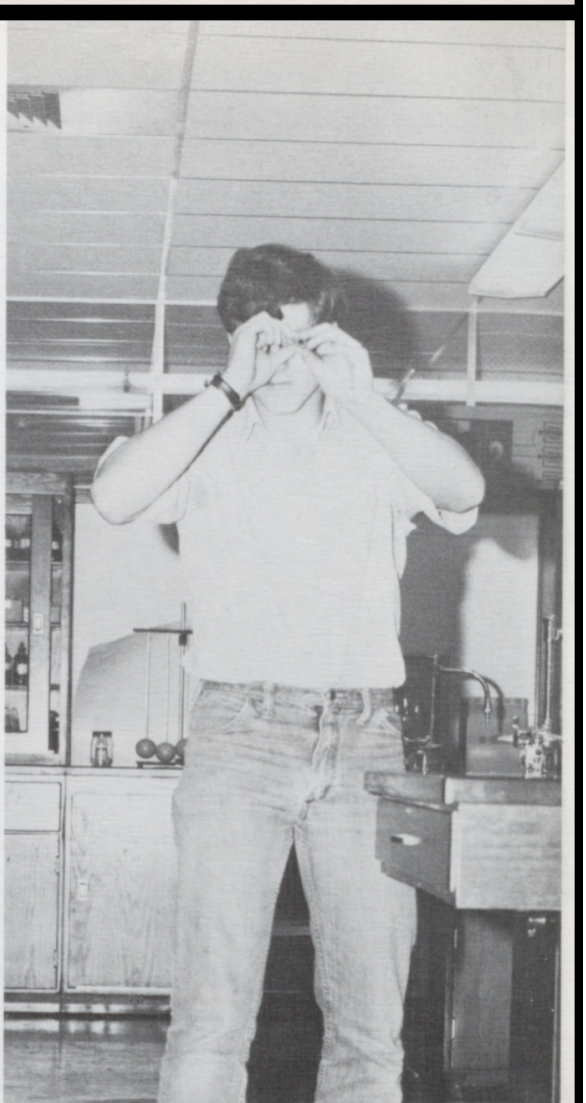

The outstanding upperclassman award was received by Dawne Hernandez, and, the honor of outstanding member of 1973-74 was shared by Karen Strauch and Barb Wagers.

Despite all arguments, school wasn't all work. From lounging in comfortable chairs, to admiring Indian artifacts, to goofing around in the chemistry room, students discovered that school was more than just reading textbooks, and doing assignments. It was enjoying being and learning with new and old friends.

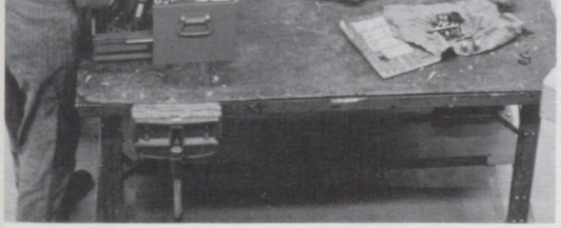

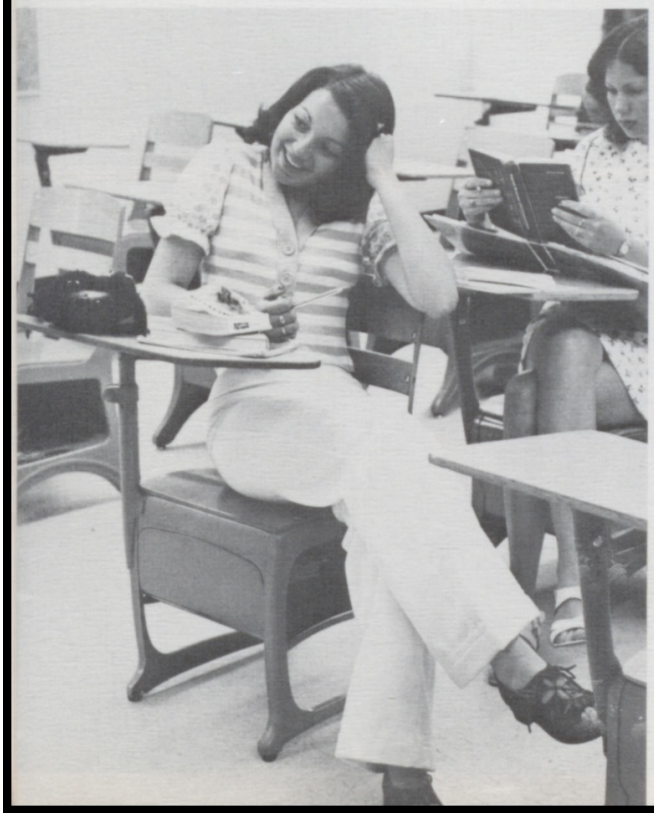

SPRING

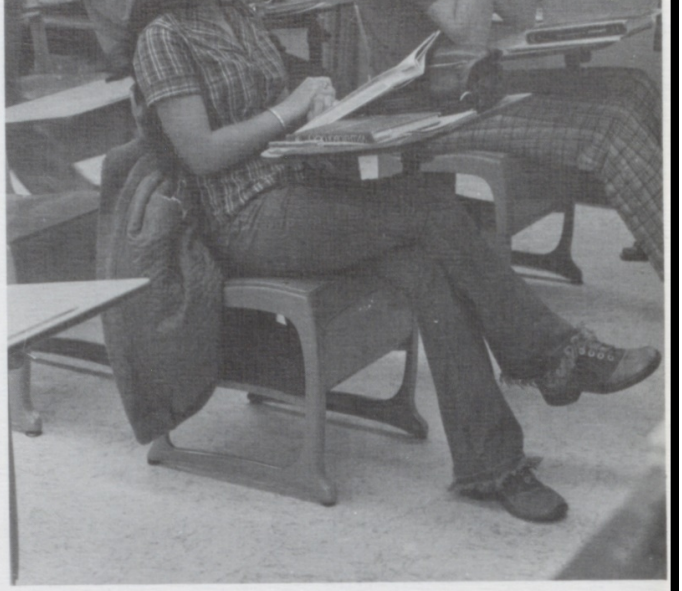

The coming of spring, a season normally thought to be humdrum and easy going, didn't slow down activities within the school. Sports continued in the form of girls' and boys' track and ended by sending nine qualifiers to the state meets, while the golfers participated in one tournament. It was also the time for elections, banquets, the All School Play, and the Jr.-Sr. Prom, and most of the students, faculty, and administration of BHS were kept busy in one way or another.

Students and teachers alike need to be away from each other at times. Some subjects seem to be made for being worked on in solitude. When you're working alone, you can get more homework done. After all, homework is a basic of high school education. Teachers have homework, too, and also need some free time. Like students, though, teachers don't always use their free time to the fullest.

440 YARD RELAY— FIFTH AT STATE MEET

The 1973-74 track season saw Miss Margaret Mora's girls team attend numerous meets, primarily in the Welco League, where they performed well and prepared for the state qualifying meet. At that meet, which was held at Roosevelt High in Johnstown, Brush qualified their 440 yard relay team, consisting of Karen Strauch, Wendy Whitney, Tonya Norwood, and Kathy Elling by placing third and Barb Wagers in the mile run. The 440 relay team then attended the state meet at Jefferson stadium in Denver placing fifth.

MILLER GETS 9 POINTS AT STATE

Dennis Miller won the long jump at the state track meet, got fourth in the triple jump, and fifth in the high jump. The Beetdigger senior had all of Brush's points and the team came in ninth in state.

Also competing in the State AA Track Meet for Brush were senior Joe Herrera in the two-mile, sophomore Kory Cornum in the triple jump, and freshman Louie Marez in the mile run.

CHARLEY'S AUNT COMES TO BHS

April 25 and 26, the Thespian Troupe of BHS presented the comedy play "Charley's Aunt" to the public.

The action began when Lord Fancourt Babberly, who portrayed by Tom Mitchell, tried to impersonate Charles Wykeham's aunt from Brazil. Genuine confusion resulted after the real aunt (played by Kerry Hannam) showed up. All worked out in the end with the imposter revealed and the true aunt recognized.

Other members of the cast were Tom Mann, Chris Ruebel, Philip Kral, Eric Olsen, Wendy Ruhl, Patty Pabst, Tim Macht, and Marla Boxer.

It was directed by Mrs. Eleise Bloom and assisted by Miss Lorraine Young, the prompter, business manager, and the stage crew.

IRC AND THESPIANS HOLD SPRING EAT MEETS

A group of ten IRC members met at the home of Mr. Dale Krueger on May 16 for a picnic. The evening was spent consuming good food and roaming the surrounding countryside.

Much food and fun were on hand at the annual Spring Thespian Banquet held May 9 at the Methodist Church. Activities for the evening were initiating the new members, recognizing the seniors of the club, and electing the new officers for 1974-75.

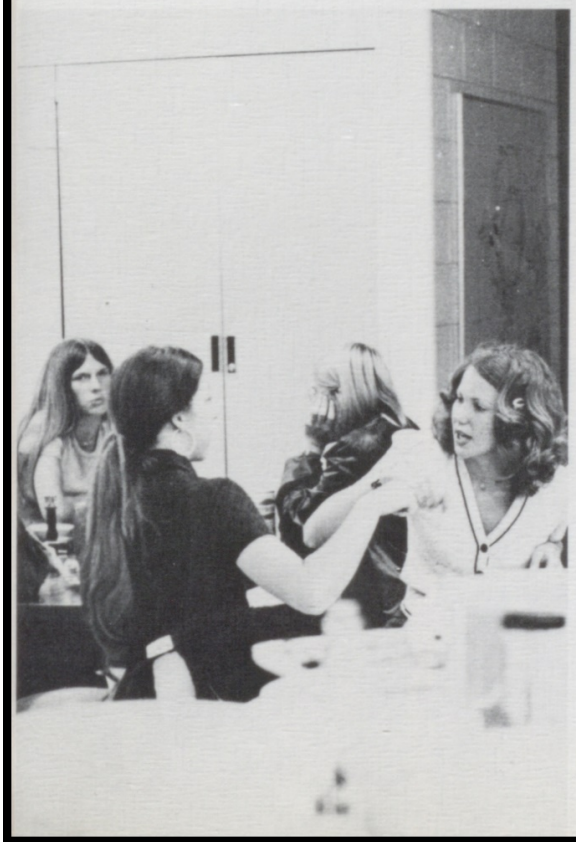

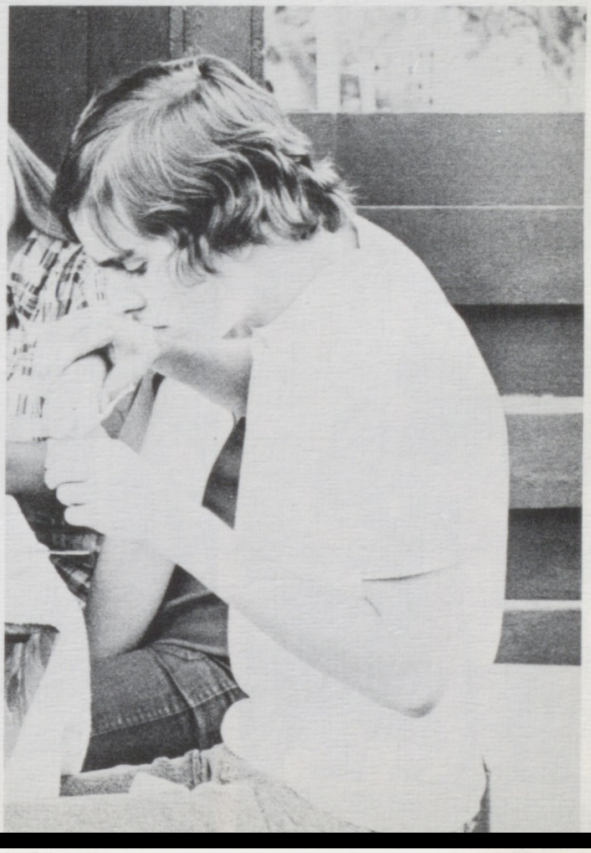

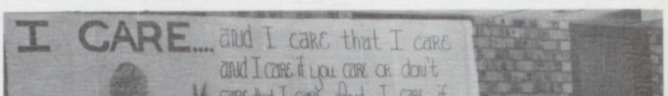

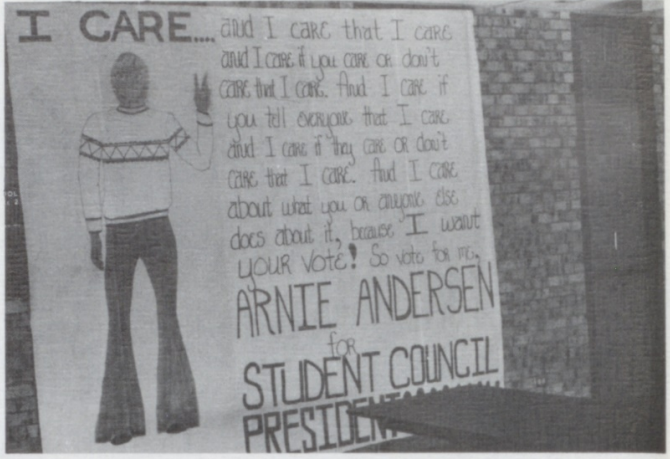

BHS KEEPS TRADITION

It is a tradition at BHS to end the year with Student Council elections. As usual a bit of humor was used to liven up the campaign speeches. Although this year new touches were added, such as a streaker in a barrel, a jeanie in a bikini, and one even lost his pants; the audience still thoroughly enjoyed the speech assembly and visited the polls to support their candidate.

The campaigns were solemnized the following day when students visited the polls and voted for their candidates.

Results of the balloting showed Arnie Anderson as the new president of Student Council, Tom Mann as vice-president, Ted Anderson as secretary, and Cory Kornum as treasurer.

MARLENE REIGNS AT JR.-SR. PROM

April 20, the Class of '75 presented their Junior-Senior Prom entitled "Pieces of April." Music was provided by "Daily Planet," a five-piece group from Denver. Approximately 75 parents and couples witnessed Junior Class President Arnie Anderson crown Marlene Schilling as the '74 Prom Queen. Pat Mitchell, Senior Attendant, was crowned by Senior Class Vice-President Dennis Miller, and Junior Attendant Cheryl Wood was crowned by Senior Class President Ron Freund. A red rose was presented to each of the attendants, while Marlene received a dozen red roses.

Ellen Bailey and Del Hutcheson were also candidates for queen, while Karen Cox, Brenda Eskew and Nancy Swinson vied for Junior Attendant.

Organist ..... Dick Jefferies

A mighty fortress is our God, A bulwark never failing:
Our helper He, amid the flood of mortal ills prevailing.
For still our ancient foe Doth seek to work us woe:
His craft and pow'r are great, And, armed with cruel hate,
On earth is not his equal.

That word above all earthly pow'rs, No thanks to them abideth:
The Spirit and the gifts are ours, Thro' Him who with us sideth.
Let goods and kindred go, This mortal life also;
The body they may kill, God's truth abideth still.
His kingdom is forever.

Practice, pinning collars on gowns, getting one's hair in place, chit-chat, and nervousness were all a part of graduation.

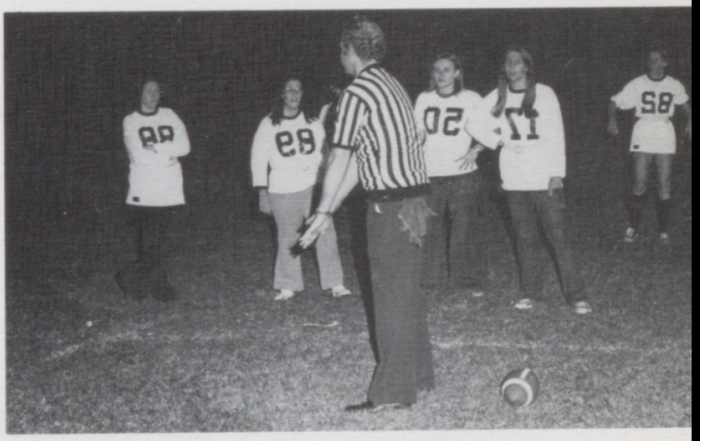

'73-74 involved a combination of things in varied moods and emotions. An assortment of activities such as sports, just "goofing off," or having a good time contrasted with the academic side of school; these moments added variety to the life of the BHS student, making the year complete. This was the year . . . and here are the memories.
